Dear members of the CSC,

I urge you to support the funding recommendations for WRT/Big Steps. This program is more than a training and career program. I have witnessed firsthand the value of their work in the lives of teens and adults in need of opportunities. Opportunities that they have not found elsewhere. Their clients become part of a large network of support. A support system full of amazing equitable partnerships with the whole purpose to help WRTP clients succeed and thrive. I am proud to be a WRTP partner and supporter.

Please support the recommendation to fund WRTP.

Respectful,

Veronica Figueroa
