

Letter of Intent

To whom may concern.

La Taguara is a Venezuelan and Latin American Restaurant that opened its door in 2013; due to an expansion we just opened a second location "La Taguara Bar & Grill" located on 3010 Crossroads Dr. Madison WI 53718 as you may know the area, it is a commercial area with some residential building, but they are far away from us.

Because of the size of the location and higher rent we applied for an Entertainment License that got approved by the ALRC on August 17th, 2022. Now we are in the process to obtain a Conditional Use permit, that way Zoning could sign the license.

We are a Restaurant, where our forte is to introduce and sell our amazing Latin America dishes and we have not intention of changing that. We would like to offer live, amplified music and special events, to be able to bring more traffic to the new store. During summertime we will offer it on our Patio, residential unit are not close to our store and we don't anticipate any complaints. We will consider volume and times when bringing performers to our patio.

Our current hours of operations are:

Monday 11am-9pm

Tuesday 11am-9pm

Wednesday 11am-9pm

Thursday 11am-9pm

Friday 11am-10pm

Saturday 11am-10pm

Sunday 11am-9pm

We are planning on bringing local artists to our store to play during regular hours of operation, but we may also do special events like bringing local and foreign performers (Comedy, Singers, Karaoke, etc.) and have them perform until bar time and charge a cover for it.

I have been in the restaurant industry for the past 22 years and I feel familiar with this kind of events, I also feel confident that doing these complementary events will give us a better chance to survive during this tough times.
