Description of Change to Conditions: Extend hours of business on Saturday evenings to 1:00AM

This will allow us to offer more public use of the building in the daytime without affecting private rental business.

An example is the Winter Dane County Farmers Market. We are unable to offer both the market and a

full private event (wedding) on the same day currently without shutting down the market early. However, if

we are able to operate later we are able to execute both with no disruption to either event.
