Subject: 11/15 CC Agenda Item #1, File 73264, Stormwater Utility Capital Budget, Project #11665 Sauk Creek Greenway

Caution: This email was sent from an external source. Avoid unknown links and attachments.

In regards to November 15 Common Council Meeting, Agenda Item #1, File 73264, Stormwater Utility Capital Budget, Project #11665 Relating to Sauk Creek Greenway restoration project:

1. The attachment for the Nov 15 Common Council budget meeting, agenda item #, file # 73264 incorrectly named the attachment as Walnut Grove Park petition papers. It should read Sauk Creek Greenway Restoration Project Email Summary and Petition papers.

Walnut Grove park petition papers.pdf Attachments: Legislative History

<https://madison.legistar.com/View.ashx?M=F&ID=11447681&GUID=5D5D863D-C0FD-4F11-B314-C652C287859B>

2. Attached below are scanned petitions. Originals were dropped off at City Clerks office last week but were not included in the agenda. This should also be attached to the agenda so alders are aware of the 380 petition signatures opposing Agenda Item #1, File 73264, Stormwater Utility Capital Budget, Project #11665 Relating to Sauk Creek Greenway restoration project, until we have a guarantee of citizen engagement and environmental protection.

Attached are the correct 42 pages of community signed petitions in opposition to the Sauk Creek Greenway Reconstruction Project #11665. (Opposition to a proposed Bike Path were incorrectly previously attached.)

#1 Petition In Opposition to the City of Madison's Sauk Creek Greenway Reconstruction Project & Removal of Trees

We are in favor of environmentally friendly stormwater improvements to the Sauk Creek Waterway. However, any improvements must be developed with full public disclosure and input. Such a plan should be consistent with sustainability objectives and not cause significant environmental damage to the 5,595 trees and habitats of birds, bats and vegetation in the unique 26.4-acre woods and 1 mile waterway corridor.

Petition In Opposition to the City of Madison's Sauk Creek Greenway Reconstruction Project & Removal of Trees

We are in favor of environmentally friendly stormwater improvements to the Sauk Creek Waterway. However, any improvements must be developed with full public disclosure and input. Such a plan should be consistent with sustainability objectives and not cause significant environmental damage to the 5,595 trees and habitats of birds, bats and vegetation in the unique 26.4-acre woods and 1 mile waterway corridor.

Petition Circulated By:		7621 Farmington	Madison	8-4-22

Return Petition to:

Tamarack Trails Condo Association club house office or 313 Sauk Creek Drive or 7621 Farmington Way

Petition In Opposition to the City of **Madison's** Sauk Creek Greenway Reconstruction Project & Removal of Trees

We are in favor of environmentally friendly stormwater improvements to the Sauk Creek Waterway. However, any improvements must be developed with full public disclosure and input. Such a plan should be consistent with sustainability objectives and not cause significant environmental damage to the 5,595 trees and habitats of birds, bats and vegetation in the unique 26.4-acre woods and 1 mile waterway corridor.
