Text of Legislative File 74702

Fiscal Note

The proposed resolution authorizes awarding up to \$1.75 million to 21 community based organizations to provide youth, young adult, and adult employment services. These organizations were selected through a competitive request for proposal process. The resolution also authorizes the Mayor and City Clerk to execute agreements with the organizations to implement programs and services. Funding for the RFP was included in the Community

Development Division's 2023 adopted operating budget. ~~No additional appropriation is required.~~

The alternate resolution proposes amending the 2023 operating budget to increase funding for these employment services, specifically within the adult and young adult priority areas. The resolution would add a total of ~~\$149,000~~ \$159,600 to the CDD budget by decreasing funding for salaries and benefits in multiple agencies. The proposed reductions include 1) reducing the Common Council budget by \$91,078, reflecting the failure of the passage of the alder salary increase ordinance, and 2) generating an additional ~~\$57,922~~ \$68,522 in one-time savings by delaying the start date of multiple new positions in the Attorney's Office, Engineering, Fire, Human Resources, Parks, and Police. It should be noted that salary savings from delaying positions is a one-time source of funding, thus will not provide sustained funding for expanded programming. The second alternate adjusts the position delays to Parks and makes a correction in the notes on the delay in Police.

Title

SECOND ALTERNATE: Authorizing the allocation of up to \$1,750,000 to support community-based organizations (CBOs) in their work to deliver a continuum of services that respond to the post pandemic economy and meet the changing workforce needs of residents while focusing on youth, young adult, and adult employment services, as the result of a competitive RFP process conducted by the Community Development Division (CDD); and authorizing the Mayor and the City Clerk to enter into agreements with those agencies to implement the designated programs and services—; and amending the 2023 Adopted Operating Budget to allocate an additional ~~\$149,000~~ \$159,600 to CDD in 2023 for the purpose of expanding funding for the RFP, drawing funding in that year from reductions in other agency budgets.

Body

The proposed resolution allocates up to \$1,750,000 for grants to 21 community non-profit agencies to help finance their provision of 29 Youth, Young Adult, and Adult employment programs beginning January 1, 2023. Funding for these grants is included in the City's 2023 Adopted Operating Budget and draws on General Fund resources.

The Community Development Division (CDD) used a competitive Request for Proposals (RFP) process to develop recommendations to allocate funds that were authorized in the 2023 Adopted Operating Budget, for use beginning in 2023. That RFP process followed provisions contained in the policy paper presented to, and approved by, the Common Council through adoption of RES-22-00446 (Legistar File 71638).

Within the process, CDD aimed to expand initiatives that respond to the post pandemic economy and meet the changing workforce needs of residents while focusing on three distinct service areas:

- 1) Youth Employment Services (ages 14-21)
- 2) Young Adult Employment Services (ages 18-26) - this is a new service area added to the RFP
- 3) Adult Employment Services

The goal is to use these funds to support efforts that provide a continuum of services ranging from supported high school graduation, GED attainment, pre, and post-employment training & services, employment & career guidance, and work placement for youth, young adults, and adults facing barriers.

WHEREAS, on September 21, 2021, the Common Council adopted RES-22-00446 (Legistar File 71638) which accepted the Community Development Division's (CDD) Youth, Young Adult,

and Adult Employment policy paper and directed CDD to conduct a Request for Proposals (RFP) process to solicit program proposals from organizations that offer programming outlined in the policy paper; and,

WHEREAS, RES-22-00446 also directed the CDD to formulate funding allocation recommendations to the Mayor and Common Council, for their approval, prior to awarding contracts to selected agencies; and,

WHEREAS, on July 5, 2022, the CDD released an RFP for Youth, Young Adult, and Adult Employment program proposals, with an application due date of August 19, 2022, and received proposals from 31 organizations requesting, in aggregate, more than \$4.4 million; and,

WHEREAS, in part in response to the strong response to the RFP, CDD sought additional funding to support employment programming in the 2023 Operating Budget, and the Mayor and Common Council responded by adding \$250,000 to CDD's budget to help support funding for programming for young adults; and,

WHEREAS, staff from CDD, with assistance from colleagues from Madison Public Libraries, Public Health Madison Dane County, Madison Metropolitan School District, and the Workforce Development Board of South Central WI reviewed the proposals and formulated allocation recommendations, and those recommendations include the following agencies and programs:
