Prior to Engineering final sign-off by main office for Plats or Certified Survey Maps (CSM), the final Plat or CSM in pdf format must be submitted by email transmittal to Engineering Land Records Coordinator Jule Smith (jsmith4@cityofmadison.com) for final technical review and approval. This submittal must occur a minimum of two working days prior to final Engineering Division sign-off.
4. Abbreviate the pre-directional on the street name. W Johnson Street.

5. Submit to Julius Smith, prior to Engineering sign-off of the subject plat, one (1) digital CADD drawing in a format compatible with AutoCAD. The digital CADD file(s) shall be referenced to the Dane County Coordinate System and shall contain, at minimum, the list of items stated below, each on a separate layer/level name. Please contact Lance Vest of the Office of Real Estate Services at (608) 245-5794 if you have any questions regarding the following five (5) items:

6. Prior to approval sign-off by the Office of Real Estate Services ("ORES"), the Owner's Certificate(s) on the CSM shall be executed by all parties of interest having the legal authority to do so, pursuant to Wis. Stats. 236.21(2)(a). Said parties shall provide documentation of legal signing authority to the notary or authentication attorney at the time of execution. The title of each certificate shall be consistent with the ownership interest(s) reported in the most recent title report.

When possible, the executed original hard stock recordable CSM shall be presented at the time of ORES approval sign-off. If not, the City and the Register of Deeds are now accepting electronic signatures. A PDF of the CSM containing electronic signatures shall be provided to ORES to obtain approval sign-off.

7. Prior to CSM approval sign-off, an executed and notarized or authenticated certificate of consent for all mortgagees/vendors shall be included following the Owner's Certificate(s).

8. As of December 30, 2022, the 2022 real estate taxes are due for the subject property.

Per 236.21(3) Wis. Stats. and 16.23(5)(g)(1) Madison General Ordinances, the property owner shall pay all real estate taxes that are accrued or delinquent for the subject property prior to CSM recording. This includes property tax bills for the prior year that are distributed at the beginning of the year. Receipts from the City of Madison Treasurer are to be provided before or at the time of sign-off. Payment is made to:

City of Madison Treasurer
210 Martin Luther King, Jr. Blvd.
Madison, WI 53701

9. As of December 30, 2022, there are no special assessments reported. All known special assessments are due and payable prior to CSM approval sign-off. If special assessments are levied against the property during the review period and prior to CSM approval sign-off, they shall be paid in full pursuant to Madison General Ordinance Section 16.23(5)(g)1.

10. Pursuant to Madison City Ordinance Section 16.23(5)(g)(4), the owner shall furnish a title report to ORES via email to Lance Vest (lvest@cityofmadison.com), as well as the survey firm preparing the proposed CSM. The report shall include all associated documents.

A title commitment may be provided, but will be considered only as supplementary information to the title report. Surveyor shall update the CSM with the most recent information reported in the title report. ORES reserves the right to impose additional conditions of approval in the event the title report contains changes that warrant revisions to the CSM.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

A resolution approving the CSM and authorizing the City to sign it and any other documents related to the proposed land division were reviewed and approved by the Common Council at its January 17, 2023 meeting.

In order to commence the process for obtaining the necessary City signatures on the Certified Survey Map, the applicant shall e-mail the revised CSM, updated title report, and any other materials required by reviewing agencies to the reviewing planner. The reviewing planner will share the updated materials with the relevant commenting City agencies for them to verify that their conditions have been satisfied and that the secretary or designee may sign the Plan Commission approval certificate. Once the Plan Commission certificate is executed (digitally), the Planning Division will email the signed digital copy to the City Clerk's Office and inform them that the Common Council certificate may be executed. They will digitally sign to and email it to the applicant. At that point, the instrument may be printed out on the necessary card stock and recorded at the Dane County Register of Deeds Office. For information on recording procedures and fees, please contact the Register of Deeds at (608) 266-4141.

Any appeal from this action, including the conditions of approval, must be filed with the Circuit Court within 30 days from the date of this letter. **The approval of this CSM shall be null and void if not recorded in twelve (12) months from the date of the approving resolution or this letter, whichever is later.**

If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at cwells@cityofmadison.com or (608) 261-9135.

Sincerely,

Chris Wells
Planner
