Re: Voting item 75934 Sultan Restaurant alcohol license application

Dear City of Madison Alcohol License Review Committee:

The Marquette Neighborhood Association Preservation & Development Committee voted on Feb. 14, 2023, to support the alcohol license application of Raiko Health LLC • dba Sultan Restaurant at 1054 Williamson Street (agenda item 32, Legistar #75934). The committee voted to support the application conditional on the restaurant maintaining the hours stated in its application, that the kitchen remain open until at least half an hour before closing time, and that food sales constitute at least 50% of total sales, as intended by the application as filed.

We ask that the Alcohol License Review Committee approve the alcohol license application.

Sincerely,

Eric Hamilton  
Chair, Marquette Neighborhood Association Preservation & Development Committee

CC: MNA board, MNA P&D Committee, Alder Brian Benford, Sultan Ahmed (applicant)
