

**Hawthorne-Truax Neighborhood Plan
CDBG Committee Meeting – March 2, 2023**

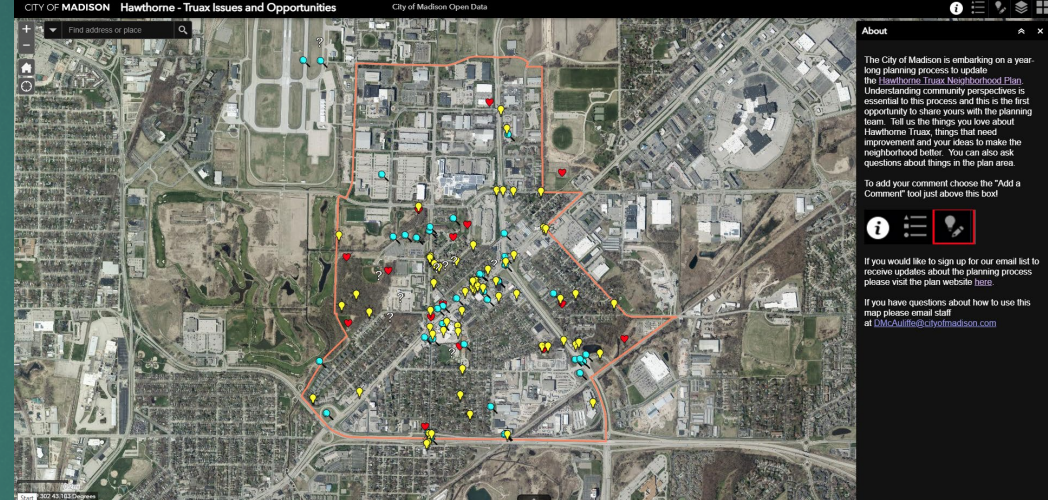

Planning Area

Public participation

- Map and Data Book
- Interactive commenting map
- Online CDBG Project Survey
- Community Partners Group
- Virtual meetings
- Hawthorne PTA
- Neighborhood Meetings
- EMCC meetings and food pantry pop-ups
- Walking Audits
- Hawthorne Night Out
- Madison College
- Reindahl Splash Pad

Feedback Themes

- Housing - maintain housing affordability; displacement concerns; balance affordable & market rate units
- New development scale
- Redevelopment opportunities – Bimbo, Car dealership, vacant homes, old bowling alley, etc.
- Traffic and pedestrian conflicts - better crossings; more sidewalks; signals/rfb; speed management

Feedback Themes

- No there there
 - Lack of neighborhood restaurants, cafes, or retail
 - Lack of community gathering places
 - Development encloses park spaces
 - No community events
- Barriers that separate residents
- Childcare, community services
- Employment access

Truax specific feedback

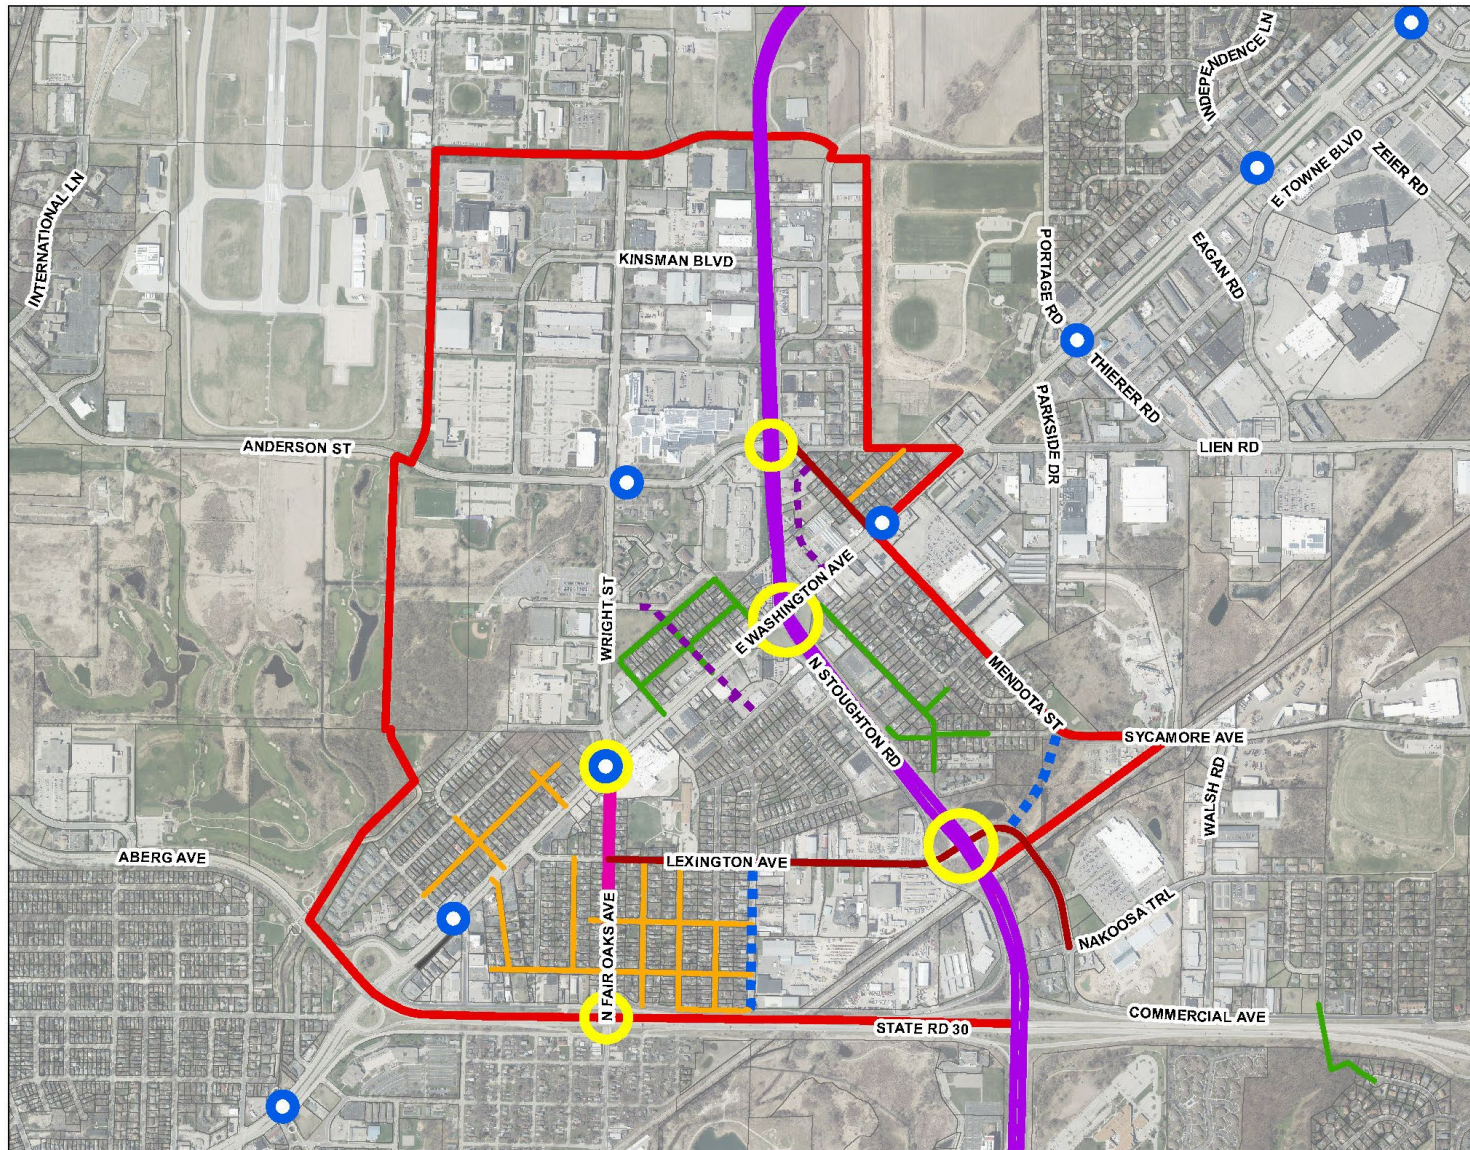

- Struggle accessing daily needs
 - Food, childcare, mental health support, senior services
- Youth concerns
 - Bring back basketball court (s), consider other rec facilities
 - Teens have trouble finding work accessible without a car
- Walking to school - tunnel graffiti, loitering, garbage
- Water Quality - PFAS
- More greenspace/better access

Public feedback → Shared Values and Intentions

- Grow mindfully...housing to meet different needs (Recommendations 16,17, 19, 20)
- Welcome new development, respect sense of place (Recommendations 23, 41, 40)
- Reduce isolation by increasing connectivity (Recommendations 4,5, 8)
- Better access to programming, activities, and employment (Recommendations 25, 46, 44)
- Improve aesthetics, wayfinding, and amenities along streets, bike paths, and in parks (Recommendations 31, 23, 26)
- Be a green and environmentally-friendly place (Recommendations 31, 34, 37)
- Build a sense of community - be welcoming and celebrate uniqueness (Recommendations 23, 30, 55)
- Accessible services, employment and events (Recommendations 44, 49, 47)

Draft recommendations

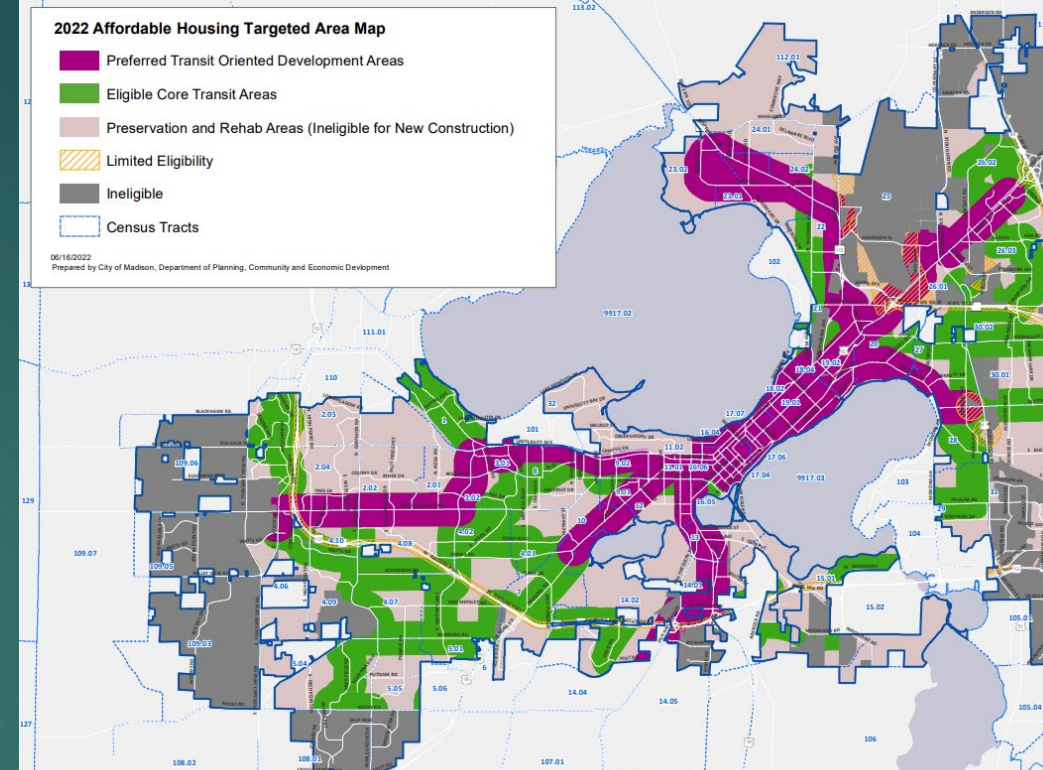

- Recommended Transportation Improvements**
- BRT Stations
 - Bike/Ped Intersection Improvements
 - Bike Improvements
 - Potential street connections
 - Hwy 51 redesign (WI DOT)
 - High priority sidewalk additions
 - Upcoming street reconstructions
 - Future rural to urban reconstructions
 - Fair Oaks Ave Improvements
 - Potential street vacation
 - Hawthorne-Truax Plan Boundary

- Support BRT
- Hwy 51 goals
- Sidewalks and pedestrian improvements
- New and reconstructed streets

Draft recommendations

- Encourage new affordable housing
- Part 150 program and soundproofing
- Employer-supported childcare
- Promote youth jobs along BRT
- Design public amenities using inclusive, community-based process
- Encourage/support neighborhood events
- Address flooding at Lexington/Hwy 51
- Partnerships to improve Starkweather Creek access and environmental quality

Near-Term Actions

- **City - led**

- E. Washington tunnel – repaired pump to address flooding, cleaned garbage, graffiti, loitering up
- Community murals, other public art
- Technical assistance for neighborhood groups

- **Community - led**

- Cleaned up graffiti on E. Washington tunnel mural
- Expand Hawthorne Community School and Walking School Bus
- Financial literacy workshops
- Neighborhood block parties, food cart nights, concert series and more

City Review, Adoption, Implementation

- TPPB March 6
- Board of Park Commissioners March 8
- CDA March 9
- Plan Commission March 13
- Common Council March 21
- Plan Implementation – city, community partners and other implementers

Feedback and Questions

Thank you!
