Subject: Speed Bump Request
Date: Monday, April 10, 2023 11:15:20 AM

Caution: This email was sent from an external source. Avoid unknown links and attachments.

I am sending this with the hope that my concern is taken into consideration. Grandview Blvd is notorious for high speed racing. There are no barriers in place to stop unsafe driving. Many mailboxes have been victims. There is ONE stop sign between Sandwood and Frontage Rd. More often than not, this stop sign is treated as an option. I am not looking to lower the speed limit as offenders will speed regardless of what is posted. I am requesting Speed Bumps to be placed on Grandview. It is for the safety of property, as well as, people. Had an individual been in the vicinity of their mailbox, checking for mail, they most certainly would have been killed. I have lived in the area for over 20 years and have never seen a car pulled over by an officer. As one of the few that do drive the speed limit, I have drivers up my butt trying to pass like beltline traffic. It is scary. There is another concern. That being Kingston Dr. It is often used as a cut through to get to the Frontage Rd from Grandview. We have one stop sign as well that is hardly ever obeyed. This is an issue for me as my house is at that stop sign. I have lost many personal items, as well as, garden beds due to people losing control of their vehicles from driving exceptionally fast right through the stop sign. We had spoken to the Town of Madison and were advised to wait for the transition into the City of Madison. I can't even back out of my driveway without the fear of being hit. I shouldn't have to feel this way but the fear is real. We need speed bumps on this road as well. I am a home owner and a taxpayer. Please, please, please help my neighborhood. Install the one thing that will deter this race track. Install speed bumps. One time and done. Help us avoid a tragedy in the making.

Thank you.
