# Title

SUBSTITUTE: Establishing the <u>Task Force on Farmland Preservation</u>

# Body

WHEREAS, farmland preservation and increasing access to community gardens and agricultural land for underrepresented groups are highlighted in the 2018 City of Madison Comprehensive Plan (<u>https://plan.imaginemadisonwi.com</u>); and,

<u>https://conservationtools.org/guides/147-why-preserve-farmland</u>) to a broad segment of the community while providing ecosystem services such as flood prevention; and,

WHEREAS, according to the land access survey administered by Rooted, since 2019, demand for farmland for community gardens and small-scale market gardeners within the City of Madison is continuing to increase; and,

NOW, THEREFORE, BE IT RESOLVED that the Task Force on Farmland Preservation is hereby created and charged with creating guidelines for land use decisions when farmland and open space within City limits are proposed for rezoning and development and writing a final report with supporting data, to be referred for review by the Madison Food Policy Council, Sustainable Madison Committee and Plan Commission prior to consideration of acceptance by the Common Council, and will be composed of seven (7) voting members and two (2) alternates:
