REASON FOR REQUEST

WHY A COMPETITIVE SELECTION PROCESS CANNOT BE USED:

Provide **detailed** explanation below. For a true sole source, provide all information to explain why this product or service can only be purchased from this vendor. For one-of-a-kind items not sold through distributors, explain the unique performance features of the product requested that are not available from any other product. For services, detail the unique qualifications this vendor possesses, or other reason(s) that meet the criteria selected above. Identify specific, measurable factors and qualifications.

Madison Arts staff have promised the Common Council to prioritize the placement of public art in the Darbo neighborhood since the Darbo-Worthington-Starkweather Neighborhood Plan in 2017. After two failed attempts to identify an appropriate artist who could create a piece of culturally relevant art, members of MAC asked staff to explore alternatives. Madison College proposed a partnership with the city in which artist Austin Brantley will work to engage Madison College students, Darbo-Worthington neighborhood residents, and the larger Madison community. After his residency he will be given a year to fabricate a sculpture for the Darbo-Worthington neighborhood.
