Subject: ALRC Agenda #32 Legistar 77906 Change of Licensed Premises 2116 AWA LLC • dba The Atwood

Date: Wednesday, May 17, 2023 1:39:08 PM

Dear ALRC members:

RE #32. 77906 Change of Licensed Premises 2116 AWA LLC • dba The Atwood Current Capacity (in/out): 160/0 • Proposed Capacity (in/out): 160/20 2116 Atwood Ave • Agent: Brian Mason Class B Combination Liquor & Beer • 85% alcohol, 10% food, 5% other Alder District 6 (Alder Rummel) • Police Sector 410 Request to extend premises outdoors to rear patio for four 10' x 10' tents, at time a perimeter fence will be present with signage reading "No Alcohol Beyond This Point."

The applicant Vanessa Flores reached out to me just before I was sworn in and asked for help with outreach to the neighborhood association but with all the requests on my time, I failed to circle back and did not set up a neighborhood meeting or connect her with the SASY neighborhood association.

I recently communicated with Vanessa and shared my apologies and my outstanding concerns. I said I would be willing to schedule a neighborhood zoom meeting if she/the applicant would agree to a referral:

- 1. proposed hours for the patio were not clear in the application
- 2. explanation of the ownership of the proposed patio since it includes the area that is the rear of 2118 Atwood
- 3. how would parking lot be monitored and accessed during live music events in the bar per licensed condition #1: On nights when there is live music, a staff member will manage the parking lot from 11 p.m. until it has cleared
- 4. if the applicant was proposing patios hours of operation beyond 9p (which I understand would require a conditional use permit from the Plan Commission), I noted that licensed condition #5 states: After 9p, the back door would be used as an emergency exit only

I have another meeting tonight but will try to check in for the item.

Thanks for your service-

Marsha Rummel District 6 Alder
