

The background is a grayscale photograph of a city street. On the left is a modern building with large windows and a sign that says 'MUSEUM'. In the foreground, there's a paved plaza with some potted plants. To the right, there's an outdoor seating area with umbrellas and a building with a sign that says 'STEAKS & CHOPS'. A person is walking in the distance.

# Metro Transit Shelter Space Repurposing

Dan McAuliffe – Planning

Mark Kiesow – Mall Concourse Maintenance

Meghan Blake-Horst – Street Vending Coordinator

Renee Callaway – Bike and Pedestrian Coordinator

# E. Main St

- Staff thoughts:
  - Potential outdoor seating area
  - Planters on back side of irrigation bench
  - Investigate tree planting
  - Furniture adjustments
    - Trash toward street
    - Bike rack facing Walgreens

# N. Pinckney St

- Staff thoughts:
  - Potential outdoor seating area
  - Planters on back side of irrigation bench
  - Move bike rack south

# E. Mifflin St.

- Staff thoughts:
  - Add raised planter
  - Vending in interim

# W Mifflin St.

- Staff thoughts:
  - Investigate tree planting
  - Possible art or kiosk location
  - Street vending
  - Adjust furniture

# N Carroll St.

- Staff thoughts:
  - Temporary vending location
  - Raised planter at south end

# State St. @ Johnson

- Staff thoughts:
  - Outdoor seating
  - Possible art location
  - Street vending location

# State St. @ Gorham

- Staff thoughts:
  - Investigate tree planting
  - Bike parking

# State St. @ Frances

- Staff thoughts:
  - Possible art location
  - Bike parking

# State St. @ Lake

- Staff thoughts:
  - Bike parking
  - Benches
