Re: Village at Autumn Lake Replat No.7

To whom it may concern,

Please accept this preliminary plat and final plat reconfiguring Lots 732-738 and 796-816 of Autumn Lake Replat. The developer would like to increase density within the proposed plat by adding two additional lots. The current zoning of these lots is TR-P and a zoning amendment was submitted as part of this project.

We look forward to working with you on this project. Please let us know if you have any questions.

Sincerely,
D'Onofrio, Kottke & Associates, Inc.

Brett T. Stoffregan, PLS
