EMERGENCY ACTION PLAN (EAP)

I. GENERAL

The "GSAFE Trick or Trot Run/ Walk" will be held October.15th, 2023 at Franklin Elementary School, Wingra Creek Bike Park, and Quann Park .

II. PURPOSE

- A. This emergency action plan predetermines actions to take before and during the "GSAFE Trick or Trot Run/ Walk" (hereinafter referred to as the event) in response to an emergency or otherwise hazardous condition. These actions will be taken by organizers, management, personnel, and attendees. These actions represent those required prior to the event in preparation for and those required during an emergency.
- B. Flexibility must be exercised when implementing this plan because of the wide variety of potential hazards that exist for this event. These hazards include, but are not limited to, Fire, Medical Emergencies, Severe Weather, or situations where Law Enforcement is required.

III. ASSUMPTIONS

The possibility of an occurrence of an emergency is present at this event. The types of emergencies possible are various and could require the response of Fire & Rescue, Emergency Medical Services, and Police.

IV. BASIC PLAN

A. Emergency Action Plan (EAP) Event Representative

1. The EAP event representative will be identified as the point of contact for all communications regarding the event. This person is identified as PRIMARY CONTACT: Brian Juchems.

B. Emergency Notification

1. In the event of an emergency, notification of the emergency will be through the use of 911. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.
2. We will / will not have on-site EMS (Ryan Bros will be an off-site contact)
3. We will / will not have on-site Police or Security (We do not anticipate needing event security)

C. Severe Weather

1. Weather forecasts and current conditions can be monitored through the [National Weather Service's Madison Weather Forecast website](#).
2. Before the event - If severe weather is predicted prior to the event, the EAP event representative will evaluate the conditions and determine if the event will remain scheduled. The EAP event representative or his/her designee will be identified as such Brian Juchems and will be responsible to monitor the weather conditions before and during the event.
3. During the event - If severe weather occurs during the event, the EAP event representative or his/her designee Brian Juchems will make notification to those attending the event that a hazardous weather condition exists and direct them to shelter.
4. There are very limited provisions for sheltering participants in the event of severe weather.
5. This event will follow the 30-30 Rule for lightning. If lightning is observed and thunder is heard within 30 seconds, the event will be delayed until 30 minutes have passed since thunder was last heard.

D. Fire

1. If a specific hazard has been identified as an increased risk of fire at this event, event manager will work with the Fire Department to determine how to address the hazard.
2. All event staff will be instructed on the safe use of Portable Fire Extinguishers.
3. If cooking is intended, you must contact the fire department and -

- a) Must have a valid fire extinguisher, 2A10BC
 - b) Each space is allowed 1 LP tank per cooking device. All LP tanks are to be secured in an approved manner (tied, strapped, chained, etc.)
 - c) No cooking shall be allowed under a tent. Cooking shall be a minimum of 20' away from tents/canopies.
 - d) Cooking must be on a non-combustible surface (grease collection material generally required under cooking and food service areas)
4. Fire Inspectors may be required to do an inspection of your event (depends on size and nature of the event), contact the Fire Department for guidelines
 5. All tents/canopies used for cooking shall have a FLAME SPREAD Certification attached to the tent.
 6. Should an incident occur that requires the Fire Department, 911 will be utilized to request this resource. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.

E. Medical Emergencies

1. As with any outdoor event, there is potential for injury to the participants. The types of injuries are various and include those that are heat related as well as traumatic injuries.
2. Event manager shall contact the Fire Department to determine if there is a need for on-site Emergency Medical Services at this event.
3. Should an incident occur that requires Emergency Medical Services to be called to this event, the caller will have the following information available to give to the 911 Center:
 - a) nature of emergency
 - b) precise location
 - c) contact person with callback number

F. Law Enforcement

1. The need for constant Law Enforcement presence at this event
 has / has not been identified. Event manager shall contact the Police Department to determine if there is a need for Law Enforcement presence at this event
2. Should an incident occur that requires Law Enforcement, to be called to this event, the caller will have the following information available to give to the 911 Center:
 - a) nature of emergency
 - b) precise location
 - c) contact person with callback number

G. Emergency Vehicle Access

1. Access for Emergency Vehicles will be maintained at all times.
2. 20' Fire Lanes are required to be kept open at events.
3. A 14' minimum height clearance requirement for anything that goes over a street or fire lane
4. Participants and spectators will be directed to park in approved areas and not to obstruct protective features, sidewalks or public thoroughways.
5. Crowd control will be managed by: GSAFE.
6. Parking for vendor and staff vehicles will be: Franklin Elementary(S).
7. Parking for attendee vehicles will be: Franklin Elementary & limited street parking (S).

Accessibility

ACCESSIBILITY PLAN

Events permitted in the City of Madison are required to have an accessibility plan. The scope and details of the accessibility plan depend on the scope and details of the event. The accessibility plan could include the following:

- Accessible parking spots which include temporary access aisles where needed (indicated on event site map).
- Accessible path of travel from parking or drop-off areas, as well as throughout event to any area accessible to the general public.
 - An accessible path of travel connects all elements and is at least 36" wide.
- Accessible communication plan (must include opportunity for request of interpreters, multiple ways to access festival information)
 - Interpreters must be booked but can be cancelled if organizers do not receive RSVPs from the deaf community 72 hours prior to the event.
 - At a minimum, schedules should be in print and accessible to screen readers electronically.
- Accessibility features included in advertising materials (websites and fliers) at least 2 weeks in advance of event. Possible information to include:
 - Accessible parking locations
 - Accessible seating locations
 - Accessible restrooms
 - Available interpretation services
 - Available quiet areas
- Cluster portable toilets in groups of no more than 6, and ensure at least one accessible portable toilet per cluster of portable toilets.
- Provide an ADA seating area to ensure access for people who need it.
- Maintain accessible path to, and within, all temporary structures
- Contacting parking enforcement regarding vehicles illegally parked in temporary accessible stalls.

Describe your event's accessibility plan. Include any accessibility setup in your site map.

Designated accessible parking in Franklin Elementary parking lot.

Franklin Elementary has accessible restrooms and ADA compliant doorways.

ADA secondary entrance to race route. Route will be entirely on paved surfaces.

For information and compliance contact City of Madison Department of Civil Rights at dcr@cityofmadison.com or (608) 266-4910.

Special Event Application **Accessibility**

GSAFE's Trick or Trot Walk/Run is scheduled for Sunday, October 15th from approximately 12:30 to 2:30. It is staged from Franklin Elementary School on Potter St. The event draws a crowd of approximately 600 youth and adult walkers and runners. It is an untimed event, with the majority of participants walking, although we always have a few jack rabbit runners who take the run seriously.

We continue to work with Race Day Events for route set up and management. The Race Day Event team along with a designated GSAFE volunteer on bike will have eyes on the last walker and will be sweeping the course immediately following the last participant.

GSAFE's point person leading up to and day-of event is Brian J. at brianj@gsafewi.org and (608-235-5467).

1. Start on Potter Street outside Franklin Elementary parking lot.
2. Run west on Potter St
3. Left onto Rowell St
4. Left onto Van Deusen St
5. Right onto Colby St
6. Left onto sidewalk towards Wingra Creek Bike Path (north side of W Olin Ave)
7. Right onto Wingra Creek Bike Path
8. Cross under W Olin Ave
9. Left over bridge towards Quann Park
10. Right onto Quann Park path
11. Left onto Bram Street (North side of street)
12. Continue on Bram Street onto Alliant Energy Center grounds
13. Left onto Coliseum Rd N
14. Right onto W Expo Drive
15. Left onto Willow Creek Island
16. Right onto Expo Way (cross over to west side of road and run along side facing traffic)
17. Left onto sidewalk along south side of E Olin Ave
18. Left onto cloverleaf ramp down to Wingra Creek Bike Path
19. Left onto Wingra Creek Bike Path
20. Cross under W Olin Ave overpass
21. Continue on Wingra Creek Bike Path heading east
22. Right at fork over footbridge to stay on south Wingra Creek Bike Path

29. Left onto Van Deusen (north side of street)
30. Right onto Lawrence Court
31. Left onto Potter St
32. Finish on Potter St outside Franklin School parking lot

Potential Street Closure:

This course was created to minimize the need for street closure and/or assistance by MPD by using bike paths, sidewalks, and lightly traveled side streets. As always, we will work with Race Day Events to place seasoned course marshals at critical intersections to direct and stop walkers/runners in case of cross traffic. We recognize the potential need for closure/MPD support at the following points:

- **Rowell St. at Lakeside** – *Closed briefly for at start of race for no more than 5 minutes. We have had course marshals on bikes for the last two years and have been successful in managing this location.*
- **Colby and Van Deusen intersection** - *we have successfully managed this intersection for the past two years.*
- **Lawrence St at Van Deusen** *is a small one-way street w/ traffic turning onto Lawrence from Van Deusen, which is where our participants will be turning onto Lawrence.*
- **Lake Court at Lakeside** – *Another small one-way street with traffic turning onto it from Lakeside. It is at the very end of our route and runners/walkers will be spread out.*

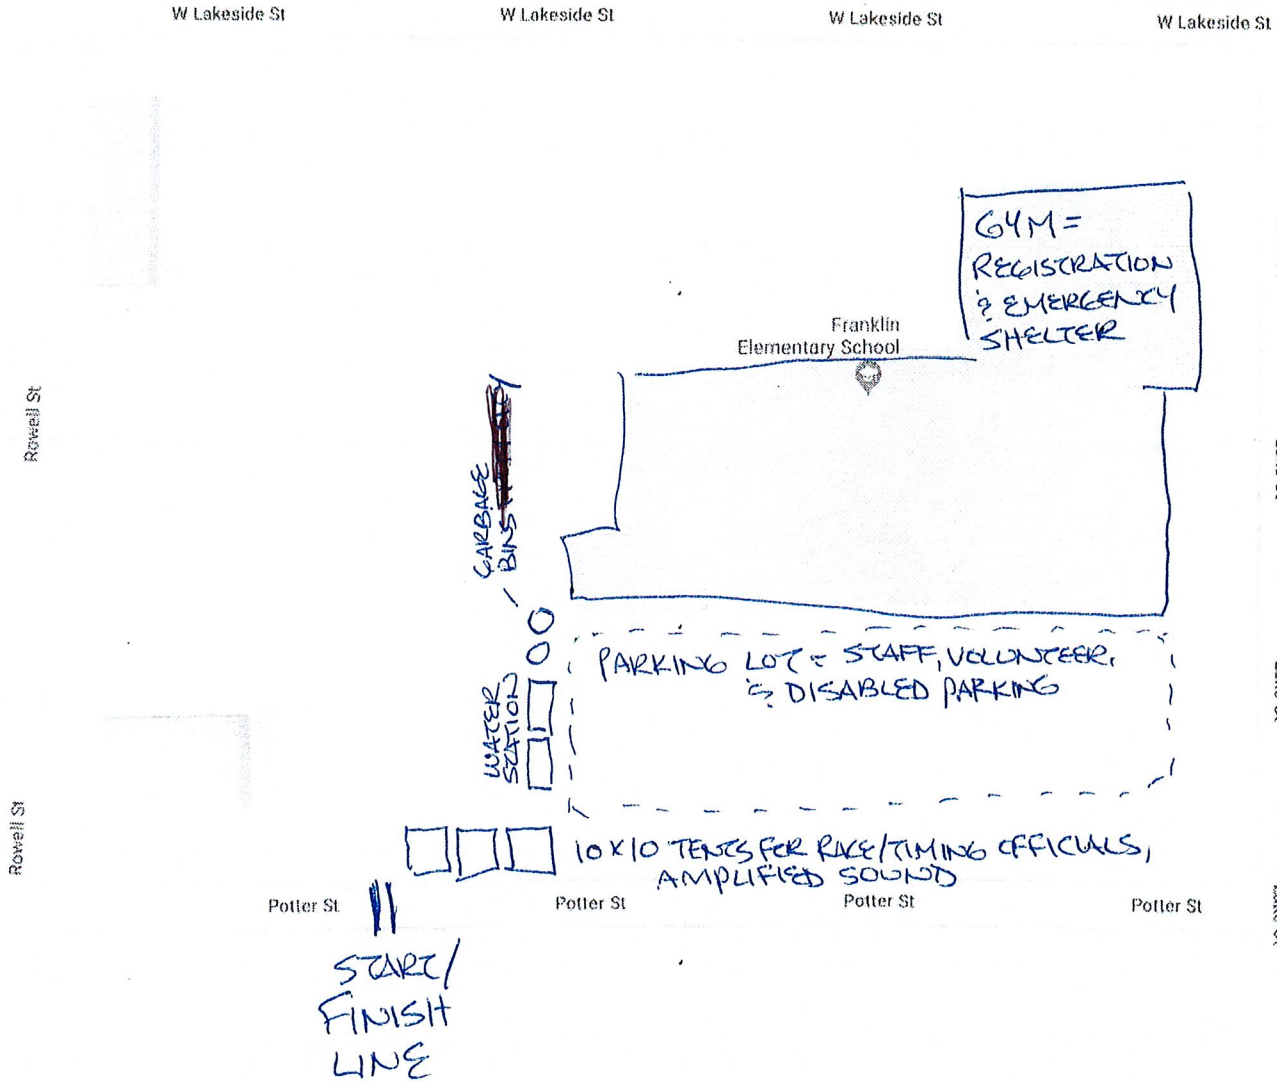

No parking areas:

- 200 and 300 blocks of Potter St. (both sides of blocks)
- 1100 block of Rowell St. (East side only)
- North side of entire length of Van Deusen St (300 block to Sayle)
- 1100 block of Lawrence St (both sides of block)
