Please contact Melissa Hermann of the Office of Real Estate Services at mhermann@cityofmadison.com if you have any questions regarding the following two (2) items:

11. OWNER'S CERTIFICATION

Prior to approval sign-off by the Office of Real Estate Services ("ORES"), the Owner's Certificate(s) on the CSM shall be executed by all parties of interest having the legal authority to do so, pursuant to Wis. Stats. 236.21(2)(a). Said parties shall provide documentation of legal signing authority to the notary or authentication attorney at the time of execution. The title of each certificate shall be consistent with the ownership interest(s) reported in the most recent title report.

When possible, the executed original hard stock recordable CSM shall be presented at the time of ORES approval sign-off. If not, the City and the Register of Deeds are now accepting electronic signatures. A PDF of the CSM containing electronic signatures shall be provided to ORES to obtain approval sign-off.

12. **TITLE REPORT UPDATE**

Pursuant to Madison City Ordinance Section 16.23(5)(g)(4), the owner shall furnish an updated title report to ORES via email to Melissa Hermann (mhermann@cityofmadison.com), as well as the survey firm preparing the proposed CSM. The report shall search the period subsequent to the date of the initial title report (xx-xx-xx) submitted with the CSM application and include all associated documents that have been recorded since the initial title report.

A title commitment may be provided, but will be considered only as supplementary information to the title report update. Surveyor shall update the CSM with the most recent information reported in the title update. ORES reserves the right to impose additional conditions of approval in the event the title update contains changes that warrant revisions to the CSM.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

A resolution approving the CSM and authorizing the City to sign it and any other documents related to the proposed land division will be reviewed by the Common Council at its November 21, 2023 meeting. Please now follow the procedures listed below for your certified survey map:

1. In order to commence the process for obtaining the necessary City signatures on the Certified Survey Map, the applicant shall e-mail the revised CSM, updated title report, and any other materials required by reviewing agencies to the reviewing planner. The reviewing planner will share the updated materials with the relevant commenting City agencies for them to verify that their conditions have been satisfied and that the secretary or designee may sign the Plan Commission approval certificate. Once the Plan Commission certificate is executed, the Planning Division will make the City Clerk's Office aware that the Common Council certificate may be executed.

2. Once all of the necessary City signatures have been affixed to the Certified Survey Map, the instrument may be recording at the Dane County Register of Deeds Office. For information on recording procedures and fees, please contact the Register of Deeds at (608) 266-4141.

3. Any appeal from this action, including the conditions of approval, must be filed with the Circuit Court within 30 days from the date of this letter. The approval of this CSM shall be null and void if not recorded in twelve (12) months from the date of the approving resolution or this letter, whichever is later.

If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 243-0554.

Sincerely,

Lisa McNabola
