[Meeting and Event Highlights for the Week of February 19, 2024 | District 11 | City of Madison, WI](#)

Alderman Tischler,

I see the meeting on Wednesday will include approving plans for the *Annual Construction and Reconstruction of Concrete Sidewalk work* in District 11.

As you maybe remember, I and some neighborhood residents have been advocating for continuation of the sidewalk on the east side of Hillview Drive from Hillview Terrace north to Segoe. Is that planned for this contract? If not, is there any chance we could successfully advocate for it's inclusion at this late date? We've discussed this at a couple of meetings of the MHCA Board, with general acceptance of the idea.

Thank you for any information or advice you can provide.
