

Late Night Vending Program Planning & Focus Groups 2020-2022

The current City of Madison Late Night Vending program is scheduled to end, in its current form, at the start of the 2023-2024 vending season. Staff will be working with a variety of community members and organizations to build a new program that will serve the student population and greater Madison community.

Proposed Timeline:

Fall 2020 – UW student focus groups

Winter 2020 – Current and potential food cart operator’s focus group

Spring 2021 – Staff planning, research and recommendations

Summer 2021 – present results and recommendations to VOC and other city committees or agencies

Fall/Winter 2021 - prepare changes to introduce to the Common Council and City Committees

Early Spring 2022 – make any infrastructure changes recommended to State St. Mall

Spring 2022 – License vendors for the new Late Night Vending program
