Dear Community Partners:

On behalf of the City of Madison Police Citizen Oversight Board (PCOB), we hope this letter reaches you well. On the reverse side, please find a list of PCOB members, their terms, and the organization they represent. We are in serious need of additional members for our Board, so that the PCOB can do the important work the Mayor, Common Council and community have envisioned. Despite these challenges, the PCOB continues its work towards police accountability in our community.

You are a community-based organization selected by the Mayor and Common Council in accordance with MGO 5.20(3)(a)3.¹ Per that ordinance, we have asked each community partner to submit two (2) nominations for new PCOB members. These nominations can include your organization's current representative. **If you wish to remain a community-based organization with whom the City is partnering for this purpose, please contact PCOB Chair Shadayra Kilfoy-Flores at (608) 772-5576 or shadayracob@gmail.com.**

¹ (3) Nominated by community-based organizations. The Mayor and Common Council, in collaboration with the Department of Civil Rights, shall seek nominations from a designated set of nine (9) community-based organizations that have an interest in civil rights, immigrant rights, disability rights/mental health, racial equity and social justice, and that also have an interest in the safety of the city and criminal justice reform. Priority shall be given to organizations with budgets under \$1 million. The designated set of organizations shall be initially created in conjunction with the adoption of this Ordinance and the Monitor, Board, and Common Council shall ensure that it is updated at least every two (2) years. Each community-based organization shall submit two (2) names and applications to the Mayor and Common Council, except that an organization may re-nominate a member whose term is expiring without submitting three names. The Mayor and Common Council shall appoint one (1) person nominated by each organization. In the event that a community organization or organizations does not submit two (2) nominations when requested or does not re-nominate a current member, the Mayor and Council Leadership shall make an appointment from the pool of any eligible applications to submit for confirmation to the Common Council.

If your organization does not wish to continue providing nominations to the PCOB, the Board and Common Council will designate other organizations for that role. Please make this contact no later than June 19, 2024, to be considered a community partner moving forward. Please also let us know if your organization no longer has the capacity to provide nominations to the PCOB.

Each of these positions are four-year terms. We would ask candidates to be available to attend and participate in one monthly full board meeting, one monthly committee meeting, and occasional trainings and/or other public engagement sessions.

Please also feel free to contact me if you have any questions about the above and thank you for all of your work supporting our community.

Sincerely,

Shadayra Kilfoy-Flores
PCOB Chair
