

Letter of Intent- Boneyard Dog Park and Biergarten **7/25/2024**

This letter of intent is intended to notify the public that the Boneyard Dog Park and Biergarten located at 1018 Walsh Rd, Madison, WI 53714 is applying for our entertainment license so we can host live music on Saturday afternoons during the hours between noon-6pm. The first step in this process is to apply for a conditional use permit that would classify the Boneyard as a nightclub. A business must have this designation in order to receive an entertainment license. We will be working with our Alder as well as the Burke Heights Neighborhood Association to ensure the community has no objection to our plans.

Days that live music will occur: Saturdays

Times for live music: Noon - 6pm

Location for live music: Outdoor stage located on the northside of our building with the potential of smaller acoustic performances inside our building.

Security: Our uniformed staff and management team will monitor audience behavior, volume, checking ids as well as any traffic issues.
