City of Madison Planning

To whom it may concern

North Design Build LLC request a permit to demo home at 540 East Lakeview Avenue Madison Wi which was built in 1925 and has served its useful life. The home is in bad shape with the rear flat falling in due to water leaks and the remaining portion of the home is in equally bad shape. We purpose to build a new 2,000 sq ft home for the Buyers that will add value to the neighborhood and enhance the city tax base.

Thank you
