RE: Consideration of a conditional use in the Industrial–Limited (IL) District for animal boarding at 5209 Femrite Drive to allow a feline rescue tenant in a multi-tenant industrial/commercial building. (LNDUSE-2024-00057; ID 84448)

Dear Tom & Amy,

On August 26, 2024, the Plan Commission found the standards met and **conditionally approved** your conditional use request subject to the conditions of approval in the following sections, which shall be satisfied prior to issuance of building permits for your project:

Please contact Luke Peters of the Traffic Engineering Division at (608) 266-6543 if you have any questions regarding the following item:

1. "Stop" signs shall be installed at a height of seven (7) feet from the bottom of the sign at all Class III driveway approaches, including existing driveways, behind the property line and noted on the plan. All directional/regulatory signage and pavement markings on the site shall be shown and noted on the plan.

Please contact Trent W. Schultz of the Parking Division at (608) 246-5806 if you have questions about the following item:

2. Note: This agency has reviewed this project and determined a Transportation Demand Management (TDM) Plan is not required based on the number of parking stalls assigned to the proposed use (14).

Please contact Jenny Kirchgatter, Assistant Zoning Administrator at (608) 266-4429 if you have questions about the following two (2) items:

3. Per Section 28.186(4)(b), the property owner or operator is required to bring the property into compliance with all elements of the approved site plans by the date established by the Zoning Administrator as part of the site and building plan approval. Work with Zoning staff to establish a final site compliance date.

4. Signage approvals are not granted by the Plan Commission. Signage must be reviewed for compliance with Chapter 31 Sign Codes of the Madison General Ordinances. Signage permits are issued by the Zoning Section of the Department of Planning and Community and Economic Development.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining permits for your project:

1. The applicant shall resubmit a PDF copy of the plan set and any other supporting materials that are necessary, as specified in this letter to sprapplications@cityofmadison.com. (Note: A 20MB email limit applies and multiple transmittals may be required.). A check for the site plan review fee shall be mailed to the City of Madison Building Inspection Division; PO Box 2984; Madison, WI 53701-2984.
2. City Agencies who submitted conditions of approval will review your revised plans to verify that their conditions, along with any applicable requirements, have been satisfied. When the revised plans are submitted, the applicant will be emailed a hyperlink to a website to follow, in real time, which agencies have reviewed the revised documents, and signed off or need additional information.
3. This letter shall be signed by the applicant and property owner (if not the applicant) to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval. [Signature block on last page]
4. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. No alteration of a conditional use shall be permitted unless approved by the Plan Commission provided, however, the Zoning Administrator following consideration by the alderperson of the district, may approve minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the Plan Commission and the conditional use standards. This approval shall become null and void two (2) years after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within 6 months of the issuance of said building permit. Where the plans have not been altered from the Plan Commission's approval, and the conditional use has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to one (1) year from the expiration date. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved conditional use permit.

If you have any questions regarding obtaining your building permits, please contact the Zoning Administrator at (608) 266-4551. If you have any questions or if you may be of any further assistance, please do not hesitate to contact my office at (608) 261-9632 or tparks@cityofmadison.com.

Sincerely,

Timothy M Parks
