Alders:

Please OPPOSE the Urban Forestry Special Charge increase.

The publicity about the ongoing budget deficit is ever present. Let's tighten our belts and keep the 2024 fees.

For residential properties, the fees continue to increase:

2022 - \$6.14/month or \$73.73/year.

2024 - \$7.12/month or \$85.44/year.

Proposed for 2025 - \$7.58/month or \$90.91/year

Show your constituents that you see them as something other than a bank account and reject this increase.
