Amani,

I can't make the meeting on Thursday, January 23@ Hawthorn Library.

I want to take the time to express my opinion of 922 and 926 N. Fair Oaks Ave. First, the properties is too small to build a 5 story building.

I want them to take care of issues with the other properties they own, first before building more buildings.

We definitely need to find other locations more suitable for building low income housing.

Finding a different company who is more reliable. We don't need apartment buildings like 'Block M'. We are peaceful neighborhood. We don't need violence.
