Questions for Agenda Item 86627 - Sewer Main Lining Project #14487 (1/29/2025 - 5:00 pm)

(1) What year was this sewer main first installed?

(2) How long is this sewer main expected to last given this relining? If necessary, can the relining be done again in the future, or would a new sewer main need to be installed?

(3) Which specific properties (101, 103, 105, 107?) in the 100 block of Riverside Drive currently use this sewer main?

Thanks!
