RE: Dirty Dog Neighborhood Saloon License Application

Please accept my sincere letter of support for the Dirty Dog Neighborhood Saloon License Application. The city will benefit from the responsible ownership and management that I know you can expect, and local residents will benefit from the jobs created and a new local business to patronize. Thank you for your consideration.

Subject: Liquor License Application; Kami Eshraghi for Dirty Dog Neighborhood Saloon

To Whom it May Concern:

I am aware that there is a meeting scheduled for this Wednesday, February 18, 2009, at 5:30 p.m., to address the application for a liquor license by Kami Eshraghi, for Dirty Dog Neighborhood Saloon. I am unable to attend the meeting due to another engagement. I am therefore writing this letter in support of Mr. Eshraghi's application.

For several years, I was a somewhat frequent customer of Kimia Lounge on West Mifflin Street, as I was an attorney at a nearby law firm. I would frequent Kimia just after work, and on occasion in the late evenings, including weekend evenings. In other words, I saw the business during all hours of operation. It should be mentioned that Kimia drew quite the variety of people, and was often quite busy. However, it was always clear to the patrons that Kimia was a place to handle oneself with class, and I do not recall a single noteworthy incident of trouble. Indeed, customers were engaged in a proactive manner so that "situations" did not occur, or at least escalate. In short, Kimia was run in an obviously professional manner. This was clearly due to the leadership of Kimia's owner, Mr. Eshraghi, who was on premises constantly.

I have no hesitancy, whatsoever, in endorsing Mr. Eshraghi's application for a liquor license for his new endeavor, Dirty Dog Neighborhood Saloon. Indeed, I hope it is a place I get to visit often in the near future.

Respectfully submitted,

Daniel G. Jardine

Dear sir/maadame:

It has come to my attention that Kami Eshraghi is attempting to get a liquor license for a new establishment he is attempting to open, called Dirty Dog Neighborhood Saloon. Many times I frequented his previous establishment, The Kimia Lounge, and have found his place of business to be clean, safe, entertaining and a welcome addition to Madison. Please grant a license to him for his new establishment. Thank you.

Sincerely,
Rob Holly
