Notes:

The department determined some projects are ineligible for SDWLP funds based on the Intent to Apply form or Priority Evaluation and Ranking Form received by 12/31/08. Ineligible projects are not included on the Project Priority List.

¹The priority score for each of these projects may change after the SDWLP obtains median household income information from the U.S. Census Bureau for these communities.

²The department has not yet assigned priority scores to these projects; the municipalities must submit more information before the department can determine whether these projects are eligible for SDWLP funds.

³The department received an Intent to Apply form by the December 31, 2008 deadline for each of these projects but did not receive a Priority Evaluation and Ranking Form by the deadline. Therefore, the department cannot give these projects a score higher than 0 on the State Fiscal Year 2010 list.
