July 2, 2009 Update for Lake Point Condominiums

Overall status: Fair Market Status: Poor

603 listings (in the range of \$55,000-150,000) are listed in the East Madison market (supply side is increasing),

37 offers pending offers- 5 sold

Lake Point Inventory- 1 duplex unit, 9 townhomes and 17 conversion units.

Traffic Overview

Residential Condominium buyer traffic seems to have slowed. Open house traffic has been minimal according to First Weber. The brokers remain steadfast that we priced the townhomes too high in the current market.

Parking for visitors and owners is the main buyer concern, followed by a little neighborhood questioning.

Contracts

One conversion unit Closed on June 17,

One conversion unit contract is set to close on July 14 and One duplex is closing around the same date.

No other offers have been submitted by the First Weber group.

| Schedule item | Item Owner | Plan date | Actual or scheduled | Comments |
|--------------------------------|------------|-----------|---------------------|---|
| Landscape | Receiver | | 5/17/09 | Complete |
| Owner Punch Lists | Receiver | | 5/29/09 | This work is about 65% complete with coordination of owners taking some time. |
| Laundry in Conversion units | Receiver | | 5/29/09 | Installation of the in-unit laundry is complete. One more unit will be equipped this month. |

Details

The punch list process is underway. Owners are arranging access for the various trades.

The landscape project on Broadway is complete. It looks very nice and helps complete the site.

The Lake Point Condominium Documents are being review and will be revised in the next couple of months to correct some details and address some operational issues.

Delinquency of Association Dues has been significantly reduced. Payments appear to be consistent and timely. Performance relative to the estimated budget is sound. Vandalism on to windows and a door to the conversions and flood damage created additional repair charges in June. Townhomes sales were predicted for this month which has not occurred. Thus, the revenue side is lagging behind the estimate.

Marketing

I am reviewing the entire marketing program in an attempt to enhance velocity. It appears that a new look at the townhome marketing is required. With 3 bedrooms and 1 parking space, creativity is required.

Events- FW to plan an event for July August.

Fannie Mae criteria remains to be detailed.

New contractors have submitted bids for the grounds work. Those awarded will complete a clean-up and pruning of the grounds and landscaping.

The Lake Point website has been up and links to both First Weber and the CDA's buyer assistance programs (http://lakepointcondos.com).

Neighborhood and parking concerns are the most prevalent objections. Several of the current resident owners have offered to explain the neighborhood condition to interested buyers in an attempt to diffuse that objection. Parking is a buyer concern we continue to work on.

As always, I'm happy to meet with the Board should they request additional information.
