Subject: Support for Midvale Heights/Westmorland Neighborhood Plan

Please accept this email as my register of support for the Midvale Heights/Westmorland Neighborhood Plan. The process in which the plan was formulated was very inclusive, and the plan incorporates the desires of neighborhood residents, and will be a useful document in guiding the growth of the neighborhoods.

My family and I have been residents the Midvale Heights Neighborhood since May of 2001.

Michael Duhr, ASLA
