

**2010 Executive Capital Budget
Errata List
(As of October 12, 2009)**

1. Sewer Utility, Sewer Access Improvements, Project No. 8, p. 52

Replace “Upham” with “Upland.”

2. Engineering – Major Streets, Lien Road, Project No. 27, p. 63

Modify the narrative to replace “more conventional 4 leg intersection” with “4 leg intersection with a roundabout.” There is no impact upon General Obligation Debt funding or debt service.

3. Engineering – Major Streets, Bartillon Drive, Project No. 54, p. 69

Change “other” (State) funding to \$1,813,250. There is no impact upon General Obligation Debt funding or debt service.

4. Engineering – Stormwater, Willow Creek Relief Storm, Project No. 15, p. 83

Add to the narrative:

The 2010 Phase shall complete the segment from Midvale to Shorewood Boulevard, taking advantage of the scheduled ARRA funded street reconstruction project. The remaining segment along the Rail corridor shall be completed later or if passenger rail is implemented within this corridor. Other Funding is from the Village of Shorewood Hills.
