*These assessments shall be deferred for a period of 10 years with interest per MGO 4.081 and payments over 8 years with interest following that deferral period. In addition, the southern portion of this parcel is believed to be a wetland and not developable. The assessable frontage shall be reduced on Marsh Rd. as determined by the City Engineer after delineation by the property owner. Said assessable frontage reduction shall be equal to the projected average width of the wetland along Marsh Rd. The deferred assessment shall become due upon construction of improvements on the parcel or subdivision of the parcel
