

*BPW Meeting July 7, 2010:*  
*Review of Projects by Engineering Environmental Staff for Impacts to Water Resources*

**17. James Madison Park Shoreline**

This project requires a Chapter 30 permit from the DNR for shoreline work and grading as well as a city erosion control/stormwater permit for grading. (Tom Maglio, City Parks; Lisa Coleman, City Engineering)

**30. Warner Park Parking Lot Reconstruction**

This project requires a Chapter 30 permit from the DNR for grading next to a navigable waterway and for construction of a stormwater pond. (Tom Maglio, City Parks)

**32. Wingra Park Shoreline Repair**

This project requires a Chapter 30 permit from the DNR for riprap installation on the banks of a navigable waterway. The permit has already been received. (Tom Maglio, City Parks)

**33. Sauk Creek Sanitary Access**

This project requires a Chapter 30 permit from the DNR for grading and a ford crossing (of a navigable waterway). (Sally Swenson, City Engineering)

**34. North Thompson Greenway**

This project requires a Chapter 30 permit for grading and shoreline work of a navigable waterway. (Sally Swenson, City Engineering)
