Re: Great Dane Pub & Brewing Co.

This letter is to indicate the support of the McClellan Park Neighborhood Association (MPNA) Board for the proposed Great Dane Pub & Brewing restaurant on Jupiter Drive in the McClellan park neighborhood.

Board members met with representatives from the Great Dane and Alder Cnare at the October 11, 2010 MPNA Board meeting. Alder Cnare and the representatives answered our questions and satisfactorily addressed our concerns regarding hours of operation, noise levels, and parking.

The MNPA Board is excited to have the well-known and respected establishment of the Great Dane in our neighborhood.

MPNA Board:
Alisa Allen – President
Roger Anderson – Vice President/Treasurer
