To Whom It May Concern:

My name is Scott Hamilton, and I'm a Senior Account Representative for Badger Liquor Co. Inc., /dba as Frank Liquor Co. here in Madison. I have sold in the Madison area for a total of 28 yrs. My duties include representing our brands, introducing new brands and collections. The biggest part of my job is marketing, through tastings, and on-premise promotions.

I dealt with Jason Wells and Joe Johnson this last summer on a couple of occasions while they were doing promotional work at Crossroads tavern, in the town of Cottage Grove. They were diligent in their planning, and detailed with both promotions. They took care of all financial obligations that I had required, and did so in the time frame that I had set before them.

I think they showed through their work with me, to be hard working, and honest operators. I have the confidence that they would be the same in their newest endeavor.

Respectfully
Scott Hamilton
