

Hello,

This is Dale Wells, Owner/Agent of My Buddies LLC.

I recently sent a request to you regarding our hearing tomorrow night regarding our placement on the Consent Agenda. Perhaps my previous email did not reach you, as I see we are on the consent agenda.

It is my wish to present some additional information and discuss the potential of a 12:00 "last call" during the week and a 12:30 "last call" for Friday and Saturday.

Please accept my formal request to be able to speak tomorrow evening.

Thank you,

Dale Wells
