

## **November 2011**

### **Madison Arts Commission Administrative Report**

- Informed Artspace artist with stolen painting of the \$500 deductible on Artwork stolen or damaged in the Madison Municipal Building. She was disappointed.
- Met with MMSD & Overture about applying for a Kennedy Center Grant to do a study similar to the one created by the Fine Arts Task Force. That report is now 5 years old and needs updating.
- Met with Mayors office about new appointments to the Madison Arts Commission. I anticipate they will appoint new commissioners by December.
