Subject: ALRC agenda #2A, Hawk's Bar & Grill

Hello ALRC!

I cannot attend tonight's meeting because I am a member of the VOC that meets at 5:00pm tonight. I want to voice my firm support for the capacity increase for Mr. Sullivan's venue from 83 to 160. Hawk's Bar & Grill has never been a "problem" venue, is well staffed and supervised. It has been an asset to the 400 block of State Street. Mr. Sullivan is a very conscientious, hands-on and responsible venue operator. He also contributes to the community with his financial and volunteer support. I strongly urge the committee to approve Mr. Sullivan's request.

Mark, because this is last minute will you please ensure all committee members are aware of my support?

Thank You,
Rosemary
