To ALRC:

I would ask that you please refer Item 7, Legistar 25538, Edgewood College Change of Licensed Premise to a future meeting.

Neighbors have complained about excessive and late night noise at functions serving alcohol outside of Predolin Hall on the Edgewood Campus. They are very concerned about expanding the ability of Edgewood to serve alcohol outdoors by the new arts building. I would like more time to hear their complaints.

I'm sorry that I'm unable to attend the meeting tonight.

Thank you.
