**LEGENDS OUTDOOR SAND VOLLEYBALL
ALTERATION OF CONDITIONAL USE
LETTER OF INTENT**

Description:

In order to better serve to the guests participating in outdoor volleyball, and in order to provide a more pleasurable experience, the following is proposed as an alteration to our conditional use.

1. Replace the netting around the court with decorative fencing. The fencing would provide a more intimate setting; provide better security; and would provide a face-lift to surroundings.
2. Install a permanent, seasonally used, bar, adjacent to the exterior of the building, facing the volleyball court.
 - Exterior Bar would better serve the guests, as wait staff would not have to contend with the travel time pass through to the inside bar and then back to the exterior, to serve guests, nor would exterior guests have to compete for service time with our inside guests.
 - The exterior bar would be a modular built assembly – That is, built to prespecified dimensions, and built at the factory, for assembly in the field – bar size would be 14' long x 8' deep.
 - The theme of the bars design would be a “Tiki bar” theme- giving the guest a more entertaining and festive experience.
 - No plumbing services would be required – All beverages would be contained in ice packed bins (bussed from interior kitchen).
 - No cooking would be performed at this bar.
 - No glass containers will be allowed past the volleyball entrance area.
 - All beverage containers, beverages, beverage/ice containers, etc, would be moved from the bar to the interior kitchen, one half an hour after the conclusion of last volleyball game.
 - Security Personal and Servers will enforce all rules (ie: no glass containers, leaving area at close, etc).

League Volleyball Play

1. Team Composition

There will be 6 players to a team. Teams will consist of at least 2 women. A legal line-up will be allowed with 5 players as long as there is a 3/2 or 2/3 male to female ratio. A team with 4 players can play, but must have at least 1 person of the opposite sex playing. If a team has less than 4 players or not at least a 1/3 ratio it is a forfeit.

2. Games

All 3 games will be played by rally scoring. Every point will count towards the score. All 3 games will be played to 25 points. The first team to 25 regardless of difference will win the game.

A coin will be flipped prior to the first game with the winner of the flip getting the choice of service or selecting the side to receive the serve. The team that serves first in game 1 will also serve first in game 3.

The ball may be served underhand or overhand within 5-10 seconds of the referees whistle. For intermediate leagues the serve is optional.

3. Blocking and Receiving the Serve

Players are not allowed to block the serve. When receiving the serve a player must bump the first hit. Players may block or set above the net. Players may not make contact with the net while a point is in play, if contact occurs the opposing team wins the point. No Back row spiking.

4. Timeouts

Each team will be allowed one timeout for one minute during each game. There will be a maximum of a 2 minute break between games.

5. Rotation & Tardy Players

Rotation of players is allowed but teams must rotate at the same two positions. If a match has started and a player shows up, if the team is not playing at 6 players then that player can immediately step in at the next point as long as the ratios are kept in place to have a legal team. If they have 6 players then that player can rotate in.

6. Game Forfeit

A forfeit of the first game will occur if a team does not have the required number of players or the right ratio of players present 5 minutes after scheduled game time or court availability if previous match runs late. Remaining games will be forfeited if a legal line-up is not present 15 minutes after scheduled time or the end of previous match if it runs late.

7. Cancellations and Make-ups

Games will be cancelled for inclement weather by 4:30 p.m. of the scheduled day. If a night is cancelled it will be made up at the end of the season. Legends Sports Bar will try to get a hold of each team's captain. It is the captain's responsibility to inform the other

members of the team. If a league is cancelled in the middle of league play only completed games will count, with the remainder of the games to be made up.

Legends Phone number is (608) 831-4463 or our website is legendssportsbarmadison.com Also if your team can't play you need to inform us and call the other team's captain.

Make-ups will be allowed and scheduled upon agreement of both teams. Make-ups must be made up no later than 2 weeks of scheduled match or it will be a forfeit. Please inform Management right away.

8. **Team Rosters and Waiver Forms**

There will be open rosters. This means that each team may bring in anyone to play for them, with one exception. Players on a team may not sub for another team in the same league. If a team is found in violation they will forfeit all games that night. A player may play in any other league without penalty.

***Waiver forms must be completed by everyone before they play the first night as well as all subs before play (waiver forms will be behind bar)... NO EXCEPTIONS. Give the form to the manager or the referee on duty if the manager is not available.**

9. **Team Standings**

Standings will be determined by the total "wins" and "losses". There will be a spring, summer and fall league. Leagues will be 8 weeks long.

Spring league will start April 19th and end June 12th, with tournament play beginning June 14th and Championship round June 19th

Summer League will start June 21st and end August 9th, with tournament play beginning August 16th and Championship round August 21st.

Fall league will start August 23rd and end October 16th, with tournament play beginning October 18th and Championship round October 23rd.

10 **Miscellaneous**

Please make sure you are on time for your scheduled matches. When your court is open take advantage of warm up time since we are now on 50 minute matches. Also please do not serve or slam the ball into the walls or nets all it does is damage the balls.
