Application for Neighborhood and Community Development Funds

Applications should be submitted electronically to the CDD by 12:00 p.m. on the first Friday of the month and will be reviewed by the CDBG Committee on the first Thursday of the following month.

Program Title: Empowerment Center Improvements	Amount Requested: \$ 35,470
Agency: YWCA Madison	Tax ID/EIN/FEIN:39-0806303
Address: 101 E. Mifflin Street, Suite 100	DUNS #: 168504199
Contact Person: Debra Schwabe	Telephone: 608-257-1436 x 2
Email: dschwabe@ywcamadison.org	Fax: 608-257-1439

1. <u>Program Abstract</u>: Provide an overview of the project. Identify the community need to be addressed. Summarize the program's major purpose in terms of <u>need</u> to be addressed, the <u>goals</u>, procedures to be utilized, and the expected <u>outcomes</u>. Limit response to 150 words.

The YWCA Empowerment Center, 3101 Latham Dr., provides employment and training programming to low-income individuals in need of family supporting employment. Programming ranges from hands on experience in the building trades and the road construction industry through Construct-U to Job Readiness Workshops addressing how to conduct an effective job search to providing appropriate apparel for women seeking employment to providing safe transportation to/from work through YW Transit.

In conducting the Section 504 accessibility self-evaluation, staff concluded that the building needs accessibility improvements in order to better serve the clients who utilize the facility. The YWCA is seeking funds to correct the accessibility issues. Proposed accessibility changes include addresses accessibility of the building's entrances, reception desk, bathrooms, parking lot and building signage.

2. <u>Target Population</u>: Identify the projected target population for this program in terms of age, residency, race, income eligibility criteria, and other unique characteristics or sub-groups.

The YWCA Empowerment Center, located at 3101 Latham Drive, is open to the public and provides the resources and support needed to help individuals find, change, or maintain a job and acquire the skills they need to advance in the workplace. The YWCA Empowerment Center serves individuals underrepresented in the workforce that are unemployed or under-employed and seeking assistance in their job search and/or job training including low-income women and people of color. Additionally, the Suited for Success clothing boutique provides women's clothing to individuals in need of appropriate clothing for job interviews and starting work. The Empowerment Center classrooms are also used for community trainings and meetings such as the Racial Justice Workshops. Finally, the facility's classrooms are used for Girls Inc. programming, an after-school enrichment programs that help girls ages 9 to 18 grow up strong, smart and bold.

In 2011, The Empowerment Center served 661 individuals in its employment and training and Suited for Success programs. Fifty four of those individuals identified some type of disability. In 2011, YW Transit provided over 19,000 safe rides and JobRide trips of those 531 rides were provided to individuals with a disability. We do not have the ability to report on how many Girls Inc. or Racial Justice participants used the facility and do not collect information on their disability status. Programs using the Empowerment Center reported the following demographics of their program participants: 65% African American, 26% Caucasian, 4% Latino, 3% Multi-racial, 1% Asian, and 1% Native American. The majority of individuals using the YWCA Empowerment Center are low-income, unemployed individuals who live in the Madison area (84% of clients served in 2011).

661 # unduplicated individuals estimated to be served by this project.

661 # unduplicated households estimated to be served by this project.

- 3. <u>Program Objectives</u>: The 5-Year Plan lists 9 project objectives (A through N). Circle the one most applicable to your proposal and describe how this project addresses that objective.
 - A. Housing Existing Owner-Occupied
 - B. Housing For Buyers
 - C. Housing Rental Housing
 - E. Economic Dev. Business Creating Jobs
 - F. Economic Dev. Micro-enterprise
- G. Neighborhood Civic Places
- K. Community-based Facilities
- L. Neighborhood Revitalization
- N. Access to Housing Resources

The YWCA Empowerment Center provides needed services to the Madison Community in the areas of employment and training, after-school programs and racial justice workshops. The majority of services provided in the building fall under the scope of employment and training programs. Many of the clients served are looking to gain or improve their employment in order to earn family-sustaining wages. Services are targeted at low-income individuals, who are often homeless or have many barriers to finding and maintaining employment. By ensuring the building is accessible, we also ensure that people who have disabilities have access to these resources.

		acquisition only; _X	rehab; new construction; acquisition and rehab or construction
B.	Sta	te your rationale in acquiri	ng or improving this space. (i.e., lower costs, collaborative effort, accessibility, etc.)
	gre we ac	ater accessibility to the bui	nmunity members utilizing services at the YWCA Empowerment Center will have lding. After completing an accessibility assessment, several accessibility concerns ited access to entrances, bathrooms, reception area and parking lots. Great le who have disabilities and seek employment and training assistance will be able ease.
C.	Wł	nat are the current mortgag	es or payments on property (including outstanding CDBG loans)?
		<u>Amount</u>	<u>Name</u>
		\$492,181 as of 6/30/12 \$4,192/month	Mortgage
D.	lf r	ented space: N/A	
	1.	Who is current owner?	
	2.	What is length of propose	d or current lease?
	3.	What is proposed rental raarea?	ate (\$/sq. ft. and terms) and how does this compare to other renters in building or in
		nis is new space, what is th	e impact of owning or leasing this space compared to your current level of space
N/A	٨		
F.	Inc	lude:	
	1.		es upon which the capital costs are based. sts on enforcement of Fair Labor Standards and the payment of Federal Prevailing Wage Rate.)
		See attached documentation.	

2. A copy of the plans and specifications for the work, or a description of the design specifications you have in mind.

The proposed accessibility improvements include (See attached photos):

- adding power-assist doors and automatic door openers to both the west and south public access points;
- remove concrete pad with ledge at south entrance, replace pad at level even with interior space and grade replacement pad to allow for wheelchair access;
- replace two inaccessible public bathroom door knobs with a lever handle;
- removal of a shower in the women's restroom to allow for appropriate turning radius;
- install two paddle handled faucets in public bathrooms;
- lower soap and paper towel dispensers in both restrooms;
- purchase and installation of appropriate accessible parking signage for parking lot;

- restriping the entire parking lot to change parking space configuration to include van access aisle;
- depending on where the restriping lands, the cement pad in the front entrance may need to be adjusted to allow for ramp access;
- paint the accessible symbol on parking spaces; cross-hatch access aisles;
- removal of a portion of the reception desk to lower a portion for wheel chair access;
- installation of signage with Braille throughout the building.
- 3. If you own the building: A copy of your long range building improvement plan and building maintenance plan. (Include a narrative describing what the building needs and how you expect to maintain it over time.)

The YWCA Empowerment Center is a 5573 square foot build. Maintenance request are submitted to YWCA maintenance staff as needed and repaired within a timely fashion. A lawn care contractor maintains the lawn in the summer and parking lot in the winter as needed.

Monthly Inspections and Services include: YWCA maintenance staff inspects all emergency and non-emergency lighting. 2) YWCA maintenance staff replaces furnace air filters.

Semi-annual Inspections and Services include: 1) Heating and cooling contractor performs startup and service for heating and cooling season. 2) YWCA maintenance staff inspects and cleans gutters, downspouts and roof. 3) YWCA maintenance staff paints all wall surfaces as need.

Annual Inspections and Services include: 1) fire extinguishers inspections, 2) carpet inspection and cleaning and 3) linoleum floor stripped and waxed.

Besides the accessibility improvements included in this proposal no improvement needs are anticipated.

Subject: YWCA Empowerment Center - 3101 Latham Dr - ADA Budget

Larry -

I would budget the following amount for ADA modifications to the Empowerment Center.

- 1. CONCRETE \$12,000 Two Stoops, Replace rear slab at entry
- 2. CARPENTRY \$4,000 Modify reception desk, Remove & replace 10ft of kitchen base cabinets & counter
- 3. DOORS \$15,000 Add three auto door hardware with electric strikes, replace two bathroom locksets with levers
- 4. PLUMBING \$3,000 Disconnect & reconnect kitchen sink, replace two faucets in bathrooms, demo shower, new mop basin
- 5. ELECTRICAL Wiring for auto doors and possibly some wall packs for exterior lighting

- 6. EARTHWORK \$8,000 Earthwork for stoops and prep site for new paving
- 7. ASPHALT PAVING \$14,000 Asphalt pavement and base course for 15 new stalls, striping Construction Subtotal \$56,000

In addition you might want to budget \$5,000 for Architectural Fees and \$10,000 for a Contingency. This equals a project budget of \$71,000.

If you are proceeding with this work, you will need to engage an Architect to draw up the plans. This represents a budget to work within to get you to the right magnitude. Actual costs would be based on whatever information the Architect puts on the plan. Hope this helps. Call me if you have any questions.

RE: YWCA – 3101 Latham

1A. Add power assist to main building entry door	\$ 2,016.00
B. Add power assist to South building entry door	\$ 1,680.00
2. Restripe parking lot; provide ADA parking and site signage	\$ 770.00
 Modify existing reception desk to accommodate ADA compliant access requirements. 	\$ 3,360.00
Modify existing breakroom cabinetry to accommodate ADA compliant access requirements.	\$ 4,032.00
Pour new exterior concrete at South entrance and provide ADA compliant main entry access.	\$ 8,800.00
Switch out existing toilet room lavatory faucet's to lever style.	\$ 422.00
 Switch out existing door hardware where required to lever latch style. 	\$ 1,210.00
Remove existing shower in toilet room 110. Restore floor slab and finishes.	\$ 3,672.00
9. Lower toilet accessories; patch finishes.	\$ 230.00
10. Provide and install Misc. ADA signage throughout Facility	\$ 500.00 \$26,692.00

Entry Point Improvements

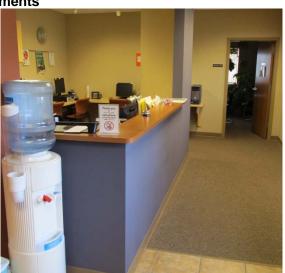

Current front doors lack power assist.

Side Entrance lacks power assist and the step up needs to be removed to allow for wheel chair access. Improvements will level out concrete pad.

Reception Desk Improvements

A lowered section of the front desk would allow for wheelchair accessibility

Bathroom Improvements

Shower does not allow for appropriate turn radius.

Paper towel dispensis and soap dispensors should be lowered

Sink handles are not ADA compliant.
Imrpovements will replace handles with paddle type faucets.

Parking Lot Improvements

Parking lot lacks appropriate accessible parking signage for parking lot and restriping the entire parking lot will allow for a van access aisle. Depending on where the restriping lands, the cement pad in the front entrance may need to be adjusted to allow for ramp access.

Signage Improvements

Install signage throughout the building that includes Braille.

.
