

An aerial photograph of a park area with a trail system highlighted in pink. The trail starts at a point labeled 'START' near a building complex. It proceeds south along a road, then turns west, following a winding path through a wooded area. The trail ends near a body of water. Several green markers are placed along the trail: one near the start, one in the middle of the winding section, and one near the end. A pink square marker is located on the trail near the body of water. Various roads are labeled, including Cascade Rd, Novick Rd, Northport Dr, Monterey Dr, Brentwood Pkwy, Calypso Rd, N Sherman Ave, MacPherson St, and Farwell Dr. The name 'Maple Bluff' is visible in the bottom left corner.
