MEMORANDUM

TO: Plan Commission

FROM: City Attorney's Office, Planning and Zoning Staff

RE: Addendum to Staff Memorandum: Additional Editorial Changes

Staff found two more editorial changes that will need to be made, as follows:

1. Professional Office, General Office

On August 30 the Plan Commission approved changes to the use charts in the Employment, Mixed Use and Commercial, and Special Districts, which combined "Professional Office" and "General office" on the same line. This also needs to be done for the Downtown and Urban Districts use chart on page 7 of that chapter. Where it reads "Professional Office," "General office" should follow.

2. Keeping of Chickens

An amendment allowing the keeping of up to six chickens in the C4 district was adopted by the Common Council on January 18, 2011 and has been incorporated into the current code. (Leg # 20752). This change has not yet made its way into the new code. Page 10 of the downtown and urban districts chapter should be amended to delete reference to "up to four" chickens. Additionally, the supplemental regulations on p.189 should be updated to indicate the permissible number of chickens allowed in the DC and other districts.
