

AFFIDAVIT OF MAILING

STATE OF WISCONSIN)
) ss.
COUNTY OF DANE)

CHRISTY BACHMANN, being first duly sworn on oath, deposes and says that:

1. She is an PRINCIPAL ENGINEER with the Office of the City Engineer, City of Madison, Dane County, Wisconsin, and did on the 26THth day of OCTOBER, 2012, at approximately 1:00: PM, placed in envelopes addressed to each interested owner of respective addresses as indicated by attached assessment list, a true and correct copy of the notice of assessments for the project titled CTH M & S (MINERAL POINT ROAD AND JUNCTION ROAD) INTERCHANGE IMPROVEMENTS ASSESSMENT DISTRICT, attached hereto.

2. She did and delivered the envelopes to the Mail Room of the Dane County Printing and Services Division, 210 Martin Luther King, Jr. Blvd., in the city of Madison, Dane County Wisconsin, for postage and depositing in the United States Mail.

CHRISTY BACHMANN

Subscribed and sworn to before me
this 26TH day of OCTOBER, 2012

Janet A Pien
Notary Public, State of Wisconsin
My Commission expires: February 28, 2014

NOTICE OF PUBLIC HEARING
BEFORE THE BOARD OF PUBLIC WORKS
FOR
PLANS, SPECIFICATIONS, AND SPECIAL ASSESSMENTS
FOR
PUBLIC WORKS IMPROVEMENTS
MADISON, WISCONSIN

PART I

The Common Council of the City of Madison, Wisconsin, having heretofore decided that it is expedient and necessary that the improvements as listed in Part II hereof be improved at the expense of the property thereby on which would be conferred some special benefit.

NOW, THEREFORE, NOTICE IS HEREBY GIVEN:

That the City Engineer has prepared plans, specifications, a proposed schedule of assessments, and an estimate of the entire costs of the improvement for each of the districts listed in Part II hereof, and;

That the plans, specifications, a proposed schedule of assessments, and an estimate of the entire cost of the improvements listed hereto are available and open to inspection by all interested persons in the office of the City Engineer, Room 115, City-County Building, 210 Martin Luther King Jr. Blvd., between the hours of 7:30 a.m. and 4:00 p.m., Monday through Friday, and will so continue to be for ten (10) working days from the first published date of this notice, and;

That on WEDNESDAY, NOVEMBER 7, 2012, AT 6:00 P.M. AND 6:30 P.M., the Board of Public Works will hold public hearings AT THE LARRY D. NELSON ENGINEERING OPERATIONS FACILITY TRAINING ROOM, 1600 EML STREET, and will consider any objections that may be filed in writing or in person and hear all persons desiring to be heard, and;

That special assessments may be paid over an eight (8) year period, with the owner paying 1/8 of the principal each year plus three (3%) percent interest on the unpaid balance, as determined by the Board of Public Works.

That if the total assessment is paid in full before October 31st in the year that the billing is made, irrespective of project completion, then no interest shall be charged.

The City's TDD number is (866)-704-2315

If you require an interpreter, materials in alternate formats, or other accommodations to access this public hearing, please contact the Engineering Division at phone (608) 266-4751. Please make contact at least 24 hours prior to the date of this public hearing so that we can make proper accommodations.

>>>ESTIMATED SPECIAL ASSESSMENT FOR THIS PARCEL: \$ 2,886.50<<<

The City of Madison in partnership with the Wisconsin Department of Transportation and Federal Highway Administration has been in the process of proposing transportation changes to the Mineral Point Road and Junction Road area. In the next month, the Board of Public Works and the Madison Common Council will consider plans and cost sharing schedules to fund a new interchange design for the Mineral Point Road and Junction Road intersection. The City of Madison has scheduled a public hearing before the Madison Board of Public Works as shown on the attached notice to approve this work.

Consistent with its policies and practices the City of Madison is using a special assessment district for this project. A special assessment district is one of the City's standard financing methods and has been and continues to be used in Madison and elsewhere. The Common Council adopted a resolution (RES-12-00757) establishing an assessment district and directed City staff to develop an assessment district such that portions of the interchange costs would be shared by the benefited area property owners. The approval of the subject plans, specifications and schedule of assessments is the next step in the proposed transportation projects design and construction process.

The estimated total cost of the construction is approximately \$21 million. FHWA dollars are paying 40% of the project cost with the remaining 60% to be paid 31% by the City of Madison; 15% by Dane County; and 15% by benefiting properties. The estimated assessments were apportioned among all parcels within the assessment district based on estimated trips generated by each parcel using Institute of Transportation Engineers Trip Generation Handbook to calculate trips. The assessment district follows city policy passed by Common Council (Legistar File ID# 27472). Individual property owners are assessed for the improvements based on the estimated trip generation of the individual parcels. Part of the local cost share of the interchange improvement is the obligation of the property owners within the assessment district. A certain number of trips have been deducted from each parcel, in accordance with the City's policy to recognize a base level of service. This cost will be borne by the City of Madison. A factor for an estimate of trips in the district using the interchange was also

included in the calculation.

Public Information Meeting

Prior to the Public Hearing, the City is also planning an informational meeting in the area to go over the project and proposed schedule of assessments. This meeting will be held at:

Informational Meeting
Nov 5, 2012 10:00 A.M.
West Side Business Club
437 S. Junction Road
Madison, WI 53719

General information regarding the project can be found on the City's website at the following address:

<http://www.cityofmadison.com/engineering/CTHM/ctvms.cfm>

Assessments – General

A special assessment is a special charge for work that the City is planning to complete. The estimated special assessment for this property's share of the project based upon the City's assessment policy is shown below the heading of this notice. When the project is bid, and work is complete, a final assessment will be calculated based on work actually performed. The final assessment is payable in one lump sum or over a period of 8 years, with 3% interest charged on the unpaid balance.

In accordance with Madison General Ordinance 4.081, the assessments for parcels zoned or used for agriculture and in the City of Madison and the UW Research Park lots shall be deferred for 10 years with interest. Upon completion of the deferment period, payment shall be made with interest in 8 equal yearly installments. In the event of certain occurrences as outlined in section 4.0841(4), the assessments shall be paid in full prior to the end of the deferral period.

Payments assessed to residents of the Town of Middleton, will be deferred and interest shall not accrue thereon until the parcel is annexed to the City of Madison as stated in the Final City of Madison and Town of Middleton Cooperative Plan Under Section 66.0307, Wisconsin Statutes, Dated September 29, 2003 (see attached section 14 pages 17-18). However, the amount of each assessment shall be adjusted from the date of levy to the date of attachment based upon the Engineering News Record Construction Cost Index, or such equivalent index as may be available at the time. Upon attachment, each special assessment shall be payable in six annual installments with interest, from the date of attachment.

The project manager for the City of Madison is Chris Petykowski with the City Engineering Division. Chris can be contacted at cpetykowski@cityofmadison.com or 608-267-8678. If you need additional information please contact Chris. If you have questions specific to the assessment amounts, please contact Dan McCormick of my staff at dmcormick@cityofmadison.com or 608-267-1969.

Sincerely,

David Dryer, P.E.
City Traffic Engineer

cc: AID Skidmore, District 9,
City Clerk,
City Engineering

management and park and recreational purposes. Development within these corridors is prohibited.

7. For any land division in the Transition Area, both east and west of the Boundary Line, an 80-foot wide landscaped building setback shall be provided as a condition of any development approval.

SECTION 14

DESIGN AND CONSTRUCTION OF PUBLIC STREETS, SIDEWALKS, IMPROVEMENTS, AND PLACEMENT OF PUBLIC UTILITIES IN STREET RIGHT-OF-WAY IN BOUNDARY ADJUSTMENT AREA PRIOR TO ATTACHMENT OF TOWN TERRITORY TO CITY

14.01

The City shall use public highway rights-of-way to extend municipal services wherever reasonably possible. The Town shall permit use of Town roads within the Boundary Adjustment Area and the full width of Blackhawk Road and highways along the Boundary Line for such purpose, subject only to the City's obligations to maintain access for emergency vehicles and owners and occupants of property in the Town and to restore the road upon completion of construction. Where the City cannot use public highways for extensions of services, the Town acknowledges the City's right to obtain easements from private property owners subject to compensation as required by state law.

14.02

The City may levy special assessments against a parcel of property in the Boundary Adjustment Area of the Town for public improvements that specially benefit the parcel. The Town hereby approves such future levies, under Sec. 66.0707, Wis. Stats. In the event that this blanket pre-approval provision is either not approved by the State Department of Administration or invalidated by a court of competent jurisdiction, the Town further agrees that it shall timely approve each such special assessment levy by separate resolution pursuant to said statute.

- (a) The owner or other interested party may challenge such special assessments as an owner of property in the City would have the right to do.
- (b) Payment of such special assessments shall be deferred and interest shall not accrue thereon until the parcel is attached to the City.
- (c) Notwithstanding paragraph (b) above, the amount of each such special assessment shall be adjusted from the date of levy to the date of attachment based on the Engineering News Record Construction Cost Index, or such equivalent index as may be available at the time.
- (d) Each such special assessment shall be payable in six annual installments with interest, from the date of attachment.

(e) Prior to attachment there shall be only one special assessment of each benefiting public improvement component (e.g. road pavement, curb and gutter, public sidewalk, street lights, street trees, traffic signals and other intersection improvement components, public drainage improvements, sanitary sewer mains, sewer interceptors, public water mains, etc.), except for driveway, curb and gutter and public sidewalk repairs which shall be billable to the abutting benefited property as special charges for current services rendered pursuant to Sec. 66.0627, Wis. Stats., and corresponding City ordinances and policies generally applicable to all property in the City. In accordance with Sec. 66.0707, Wis. Stats., the Town hereby pre-approves the levy of such future special charges by the City. In the event that this blanket pre-approval provision is either not approved by the State Department of Administration or invalidated by a court of competent jurisdiction, the Town further agrees that it shall timely approve each such special charges levy by separate resolution pursuant to said statute. Any subsequent assessment for another improvement of the same component shall be made only if consistent with the City's special assessment policy generally applicable to all property in the City. The first payment for such subsequent assessments shall be deferred with interest to a date not less than 10 years after attachment and the assessments shall be payable in six annual instalments.

14.03

Notwithstanding subsection 14.02, any owner of property in the Town shall be entitled upon request to receive City sewer and/or water services prior to attaching the property to the City if the owner agrees to pay for extension of the services to the property over a five-year period with interest and agrees to attachment of the property at the end of the five year period. Costs for extension shall be determined on the same basis as costs generally applicable for extensions to similarly situated property within the City. At any time after five years from the date that services were extended to the property under this paragraph, the City may attach the property by Attachment Ordinance adopted by majority vote of the elected members of the Common Council without consent of the property owner(s) or residents, subject to other procedural requirements of subsection 12.01 of this Plan. This paragraph does not supersede subsections 11.02 and 12.02 of this Plan. This paragraph applies only to existing parcels and parcels created under paragraph (e) of subsection 13.02. An owner's entitlement to receive sewer and/or water services under this paragraph applies only to: existing uses on existing parcels as of March 28, 2002; new or expanded uses on existing parcels after March 28, 2002, provided the new or expanded uses do not constitute development as defined in this Plan; and new houses and accessory structures built on parcels created under paragraph (e) of subsection 13.02.

14.04

The Town shall not establish any new sanitary districts east of the Boundary Line.
