SUMMARY:

Buildings Proposed for Demolition – 2012

10 North Henry
415 West Johnson Street
226 North Broom Street
424 West Dayton Street

ACTION:

A motion was made by Gehrig, seconded by Fowler, to advise the Plan Commission and Urban Design Commission that regarding 10 North Henry, 304 West Washington has a circa 1855 original portion and the Landmarks Commission hopes that the addition/expansion is sensitive to the historic fabric. There is no known historic value for the properties related to the Johnson Street proposal. The motion passed by voice vote/other.
