Superintendent Briski, On March 26th Chris Pedretti presented to our neighborhood association a proposal for a off-leash dog park at Odana School Park. The following motion was adopted by the Board of Directors and they would like it shared with the Park Commission.

The Board of the Midvale Heights Community Association supports the concept of the City of Madison to develop an off-leash dog park at Odana School Park as outlined at our March 26, 2013 meeting.

Thank you, Gary Poulson
