Subject: Support for Tyler Leeper's Brittingham Bathhouse project

Greetings:

I join Tom Neujahr, Brandon O'Donnell, Michelle McGrath, and many other Monona Bay residents and park users in supporting Stephan Reinke and Tyler Leeper's efforts to renovate and activate the Brittingham Bathhouse facility. During the past year, Tyler and Stephan have consulted with me about their Brittingham Bathhouse project and I wholeheartedly support their project. In my view, their project would complement Camp Randall Rowing Club's programs and would also enhance the neighborhood.

Please support this vital addition to the North Shore Brittingham Park revitalization and placemaking activities. Thanks.
