We would like to expand the license to include the entire property, but with the agreement that it will be a limited number of events 8 or 10 a year total and only for GCC internal uses (fund raising or community building events) or to sponsor fundraisers with partnering nonprofits.

Examples are our Anniversary event in the fall that will be in the gym, and a community barbeque we want to do on the green this summer. We of course would be very diligent and make sure we are not doing programming anywhere near the events.

All events would be either

1. Invite only and not open to the public
2. Goodman sponsored events where operators would card and use bracelets to indicate over 21

All events would comply with current time of operations restrictions.

Outdoor capacity would be restricted by use of a tent or identified area for consumption

All events would be staffed by licensed operators and Goodman staff.
