Locations of public utilities are based on Digger's Hotline Ticket(s) Numbered 20115201094; City Engineering & Parks Division drawings; and visible above-ground structures. Additional buried utilities or structures may be encountered. No excavations were made to locate utilities, and this map does not attempt to show condition or capacity of any utility or service facility. Contact Digger's Hotline at (800) 242-8511 before excavating.

All surface and subsurface improvements on and adjacent to the site are not necessarily shown.

Except as specifically stated or shown, this map does not show easements, building setbacks, zoning and land use restrictions, covenants, or any other restrictions or benefits that a current and accurate title search may disclose.
