

**BODY – 30888**

DRAFTER'S ANALYSIS: This amendment will allow an unheated back porch on a single- or two-family home to encroach into the rear yard setback if the porch extends no more than 14 feet from the exterior wall of the building and is no more than 16 feet wide. Under Sec. 28.211, MGO, a “porch” is defined as “A floor-like platform structure with a roof-like covering, attached to the exterior walls of the building and extending from the structure, and which may be enclosed by screen, latticework, windows or other similar materials.”
