RE: Approval of a demolition permit at **5402 Voges Road** to remove and relocate an existing single-family home to allow for the construction of an office building.

Dear Mr. Bieno:

At its October 14, 2013 meeting, the Plan Commission, meeting in regular session, approved your client's request for a demolition permit to remove and relocate an existing single-family home to allow for the construction of an office building at 5402 Voges Road. In order to receive final approval of the demolition permit and for permits to be issued, the following conditions must be met:

Please contact Janet Dailey of the City Engineering Division at 261-9688 if you have questions regarding the following eighteen (18) conditions.

1. The new building will have an address of 5302 Voges Rd. The 5402 Voges Rd address number will be retired with the historical records of the house (the house is being relocated to lands outside of the City of Madison).
2. Application states the owner is MMI Properties LLC. Assessor records indicate property is owned by TNT of McFarland LLC.
3. Applicant shall provide evidence of proper permitting from the Dane County Department of Health for septic system removal or abandonment.
4. A copy of the wetland delineation report and an electronic DGN file of the wetland boundary shall be provided to City Engineering.
5. The construction of the sidewalk along Voges Road will require a developer's agreement.
6. Sidewalk ramp shall be required for the crosswalks at the intersection of Owl Creek Drive.
7. The construction of this building will require removal and replacement of sidewalk, curb and gutter and possibly other parts of the City's infrastructure. The applicant shall enter into a City / Developer agreement for the improvements required for this development. The applicant shall be required to provide deposits to cover City labor and materials and surety to cover the cost of construction. The applicant shall meet with the City Engineer to schedule the development of the plans and the agreement. The City Engineer will not

sign off on this project without the agreement executed by the developer. The developer shall sign the Developer's Acknowledgement prior to the City Engineer signing off on this project. (MGO 16.23(9)c)

8. This property has deferred assessments for the Marsh Road Street Assessment District - 2003 for street, sanitary sewer and water main assessments will be due upon connection to the sanitary sewer and water systems and as part of the site plan approval.
9. Value of sidewalk installation over \$5000. The applicant shall construct sidewalk to a plan approved by the City Engineer along Voges Road. (MGO 16.23(9)(d)(6))
10. The applicant shall close all abandoned driveways by replacing the curb in front of the driveways and restoring the terrace with grass. (POLICY)
11. All damage to the pavement on Voges Road and Marsh Road, adjacent to this development shall be restored in accordance with the City of Madison's Pavement Patching Criteria. For additional information please see the following link: <http://www.cityofmadison.com/engineering/patchingCriteria.cfm> (POLICY)
12. The applicant shall demonstrate compliance with Section 37.07 and 37.08 of the Madison General Ordinances regarding permissible soil loss rates. The erosion control plan shall include Universal Soil Loss Equation (USLE) computations for the construction period. Measures shall be implemented in order to maintain a soil loss rate below 7.5-tons per acre per year.
13. For commercial sites < 1 acre in disturbance the City of Madison is an approved agent of the Department of Commerce and WDNR. As this project is on a site with disturbance area less than one (1) acres, and contains a commercial building, the City of Madison is authorized to review infiltration, stormwater management, and erosion control on behalf of the Department of Commerce. No separate submittal to Commerce or the WDNR is required. (NOTIFICATION)
14. Prior to approval, this project shall comply with Chapter 37 of the Madison General Ordinances regarding stormwater management. Specifically, this development is required to a) Detain the 2 & 10-year storm events; b) Control 80% TSS (5 micron particle) off of new paved surfaces; c) Reduce TSS off of the proposed development by 80% when compared with the existing site; d) Provide oil & grease control from the first 1/2" of runoff from parking areas; and e) Complete an erosion control plan and complete weekly self-inspection of the erosion control practices and post these inspections to the City of Madison website – as required by Chapter 37 of the Madison General Ordinances.
15. The applicant shall submit, prior to plan sign-off, a digital CAD file (single file) to the Engineering Program Specialist in the Engineering Division (Lori Zenchenko). The digital CAD file shall be to scale and represent final construction. The single CAD file submittal can be either AutoCAD (dwg) Version 2001 or older, MicroStation (dgn) Version J or older, or Universal (dxf) format and contain only the following data, each on a separate layer name/level number: a) building footprints, b) internal walkway areas, c) internal site parking areas, d) other miscellaneous impervious areas (i.e. gravel, crushed stone, bituminous/asphalt, concrete, etc.), e) right-of-way lines (public and private), f) all underlying lot lines or parcel lines if unplatted, g) lot numbers or the words "unplatted", h) lot/plat dimensions, i) street names, and all other levels (contours, elevations, etc) are not to be included with this file submittal.

NOTE: Email file transmissions preferred ljenchenko@cityofmadison.com. Include the site address in the subject line of this transmittal. Any changes or additions to the location of the building, sidewalks, parking/pavement during construction will require a new CAD file. (POLICY and MGO 37.09(2) & 37.05(4))

16. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Jeff Benedict or Tim Troester). The digital copies shall be to scale, and shall have a scale bar on the plan set. (POLICY and MGO 37.09(2)) PDF submittals shall contain the following information: a) building footprints, b) internal walkway areas, c) internal site parking areas, d) lot lines and right-of-way lines, e) Street names, f) Stormwater Management Facilities, and g) detail drawings associated with stormwater management facilities (including if applicable planting plans).
17. The applicant shall submit prior to plan sign-off, electronic copies of any Stormwater Management Files including: a) SLAMM DAT files; b) RECARGA files; c) TR-55/HYDROCAD/Etc... and d) Sediment loading calculations.
18. All outstanding Madison Metropolitan Sewerage District (MMSD) are due and payable prior Engineering sign-off, unless otherwise collected with a Developer's / Subdivision Contract. Contact Janet Dailey (608-261-9688) to obtain the final MMSD billing a minimum of two (2) working days prior to requesting City Engineering signoff. (MGO 16.23(9)(d)(4))

Please contact Eric Halvorson of the Traffic Engineering Division at 266-6527 if you have questions regarding the following five (5) items:

19. To improve pedestrian circulation on/off and around the site, include a pedestrian connection directly from the front entrance of the building to the public sidewalk on Voges Rd
20. When the applicant submits plans for approval, the applicant shall show the following on one contiguous plan: existing items in the terrace (e.g., signs and street light poles), type of surfaces, percent of slope, existing and proposed property lines, addresses, all easements, all pavement markings, building placement, adjacent driveway approaches to lots on either side and across the street, signage, semitrailer movements and vehicle routes, dimensions of radii, aisles, driveways, parking stall dimensions including the two (2) feet overhang on a scaled drawing at 1" = 20'. Contact City Traffic Engineering if you have questions.
21. The developer shall post a deposit and reimburse the City for all costs associated with any modification to traffic signals, street lighting, signing and pavement marking, and conduit/handholes, including labor, engineering and materials for both temporary and permanent installations.
22. Public signing and marking related to the development may be required by the City Traffic Engineer for which the developer shall be financially responsible.
23. The developer shall include for review turning movements for a vehicle demonstrating the use of the loading zone on the final plan.

Please contact Patrick Anderson, the Assistant Zoning Administrator at 266-5978 if you have questions regarding the following nine (9) items:

24. Sec. 28.185 (7)(a)5. requires that if a demolition or removal permit is approved, it shall not be issued until the reuse and recycling plan is approved by the Recycling Coordinator, Mr. George Dreckmann. (608-267-2626).

25. Sec. 28.185 (10) Every person who is required to submit a reuse and recycling plan pursuant to Sec. 28.185(7)(a)5. shall submit documents showing compliance with the plan within sixty (60) days of completion of demolition.
26. Section 28.185(9) (a) A demolition or removal permit is valid for one (1) year from the date of the Plan Commission.
27. Lighting is required and shall be in accordance with City of Madison General Ordinances Section 10.085.
28. Signage approvals are not granted by the Plan Commission. Signage must be reviewed for compliance with Chapter 31 Sign Codes of the Madison General Ordinances prior to sign installations. The existing sign to remain shall comply with code requirements subject to a new sign applicant and approval.
29. Pursuant to Sec. 28.142 (3) Landscape Plan and Design Standards: Landscape plans for zoning lots greater than ten thousand (10,000) square feet in size must be prepared by a registered landscape architect.
30. Bike parking shall comply with City of Madison General Ordinances Table 28I-3 (General Regulations). Provide the minimum number of bike parking stalls in a safe and convenient location on an impervious surface to be shown on the final plan. NOTE: A bike-parking stall is two feet by six feet with a five-foot access area. Provide details of bike rack on final plan sets.
31. Parking & Loading shall comply with MGO sec. 28.141 (13): Provide (1) 10' x 35' loading areas with 14' vertical clearance to be shown on the plan. The loading area shall be exclusive of drive aisle and maneuvering space.
32. Pursuant to section 28.141 (6.) b.(2) The additional 8 stalls over the maximum is approved.

Please contact Bill Sullivan of Madison Fire Department at 261-9658 if you have questions regarding the following item:

33. The Madison Fire Department does not object to this proposal provided the project complies with all applicable fire codes and ordinances.

Please contact Kay Rutledge of the Parks Division at 266-4714 if you have questions regarding the following three (3) items:

34. All proposed street tree removals within the right of way shall be reviewed by City Forestry. Please submit an existing inventory of trees (location, species, & DBH) and a tree removal plan (in PDF format) to Dean Kahl – dkahl@cityofmadison.com or 266-4816. Approval and permitting of street tree removals shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan.
35. Additional street trees are needed for this project. All street tree planting locations and trees species with the right of way shall be reviewed by City Forestry. Please submit a tree planting plan (in PDF format) to Dean Kahl – dkahl@cityofmadison.com or 266-4816. Approval and permitting of tree planting shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan. Tree planting specifications can be found in section 209 of City of Madison Standard Specifications for Public Works Construction - <http://www.cityofmadison.com/business/pw/documents/StdSpecs/2013/Part2.pdf>.

36. Existing street trees shall be protected. Please include the following note on the site plan: Contractor shall install tree protection fencing in the area between the curb and sidewalk and extend it at least 5 feet from both sides of the tree along the length of the terrace. No excavation is permitted within 5 feet of the outside edge of a tree trunk. If excavation within 5 feet of any tree is necessary, contractor shall contact City Forestry (266-4816) prior to excavation to assess the impact to the tree and root system. Tree pruning shall be coordinated with City Forestry. Tree protection specifications can be found in section 107.13 of City of Madison Standard Specifications for Public Works Construction - <http://www.cityofmadison.com/business/pw/documents/StdSpecs/2013/Part1.pdf>.
37. Approval of plans for this project does not include any approval to prune, remove or plant trees in the public right-of-way. Permission for such activities must be obtained from the City Forester, 266-4816.

Please contact my office at 267-1150 if you have questions regarding the following two (2) items:

38. That this approval shall be valid for the removal or demolition of the subject structure. No further Plan Commission action is necessary should the anticipated building relocation efforts not be successful and the building be demolished.
39. That a revised landscape plan be provided for staff approval to show more variety of frontage landscaping.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

No interior, exterior or structural demolition or wrecking activities or remodeling activities (including material reclamation activities by the applicant or a third party) shall commence nor any wrecking or building permits be issued until the applicant has met all of the conditions of approval stated in this letter.

Please now follow the procedures listed below for obtaining your demolition permit:

1. Please revise your plans per the above conditions and submit ten (10) copies of a complete, fully dimensioned and scaled plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off. The final site plan shall be accompanied by the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard. The sets of final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.
2. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility. City Engineering staff will review plans for compliance. Please note, this property is not in a Wellhead Protection District. The Madison Water Utility shall be notified to remove the water meter prior to demolition.
3. A reuse and recycling plan approved by the Recycling Coordinator is required by ordinance prior to the issuance of a wrecking permit. The reuse and recycling plan shall be submitted along with the resubmittal of site plans for forwarding to the Recycling Coordinator.

4. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting demolition permit approval.
5. The demolition or removal permit is valid for one (1) year from the date of the Plan Commission. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
6. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the demolition approval standards.

If you have any questions regarding obtaining your demolition or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,

Kevin Firchow, AICP
Planner

cc: Janet Dailey, City Engineering Division
Bill Sullivan, Fire Department
Patrick Anderson, Zoning
Kay Rutledge, Parks Division

I hereby acknowledge that I understand and will comply with the above conditions of approval for this demolition permit.
